

2. The co-operation provided for in this Agreement shall be effected on terms and conditions to be agreed and in accordance with the applicable laws, regulations and other licensing requirements in force in Canada and within the Community.

3. Each Contracting Party shall be responsible toward the other for ensuring that the provisions of this Agreement are accepted and complied with as to Canada by all of its governmental enterprises and by all persons under its jurisdiction, and as to the Community, in accordance with the provisions of the abovementioned Treaty, by all persons within the Community to whom authorization has been granted pursuant to this Agreement.

ARTICLE II

Without limiting the generality of Article I, the co-operation envisaged in this Agreement will include a joint programme of research and development connected with the natural uranium fuelled heavy water moderated type of nuclear reactor.

ARTICLE III

1. (a) The Contracting Parties may make available to each other and to persons within the Community or under the jurisdiction of the Government of Canada, information at their disposal on matters within the scope of this Agreement.

(b) The supply of information received from any third party under terms preventing such supply shall be excluded from the scope of this Agreement.

(c) Information regarded by the supplying Contracting Party as being of commercial value shall be supplied only under terms and conditions specified by the said Contracting Party.

2. (a) The Contracting Parties shall encourage and facilitate the exchange of information between persons under the jurisdiction of the Government of Canada on the one hand and persons within the Community on the other hand on matters within the scope of this Agreement.

(b) Information owned by such persons shall be supplied only with the consent of and under terms and conditions to be specified by those persons.

ARTICLE IV

1. (a) The Contracting Parties shall grant or cause to be granted, to each other or to persons within the Community or under the jurisdiction of the Government of Canada, on terms and conditions to be agreed, licences or sublicences under patents owned by either Contracting Party, or as to which either has the right to grant licences or sublicences on matters within the scope of this Agreement.

(b) The granting of licences or sublicences under patents or licences received from any third party under terms preventing such grants shall be excluded from the scope of this Agreement.

2. (a) The Contracting Parties shall encourage and facilitate the granting, to persons within the Community or under the jurisdiction of the Government of Canada, of licences under patents, on matters within the scope of this Agreement, owned by persons under the jurisdiction of the Government of Canada or within the Community, respectively.
