

2

I may add that S. Oliver was one of our mainstays  
and most liberal subscribers during the Memorial Campaign.  
He is extremely patriotic. His son Major Douglas Oliver  
went through the "Great War" from start to finish.

Apologising for thus troubling you.

I have the honor to be

Yours obedient Servant

Arch: A. Spriving  
See

General  
Sir Arthur Currie K. C. B.
