

I'm much oblecched to the legislater for passing my ferry bill. They ought to have passed it, for that man Wally, or somebody else, bored two inch auger holes in my flat, just because I got more ferrying to do than he did ; but I've fixed him now, for I've got the best ferry anyhow ; and the senate's agreed to it, for all that fellow Laboo went agin it. And if you'll let me have the bill, I will jest take it right down to the governor to sign it. And I will go and raise my sunk ferry boat, and stop the auger holes, and ferry everybody as travels that way ; and I'll take the greatest pleasure in crossing the members of this legislater because they passed my bill. But I'm agin McCaughn's bill anyhow, for it is time to stop all sich here-dical doctrines.
