# ALL ROADS LEAD TO ROSEDALE WHERE ARGOS AND TIGERS CLASH

Crucial Game in Big Four is on This Afternoon-Varsity Should Have Easy Win at Kingston.

Ten thousand Rugby fans will witness the struggle today at Rosedale between Toronto Argonauts and Hamilton Tigers. The Jungle Kings will start favorites

The game will start at 230, to be pro-ceded by an exhibition between Hugh Gall's Parkdale team and the Capitals.

Owing to the rain last night, the Rose-cale field will be soft and will count against Lawson getting into the game,

Our Kingston correspondent says: Interest is at fever heat over the Varsity. Queens football game. Extra seating accommodation has been arranged for, and it is expected that the largest crowd ever sathered at the Queens athletic grounds will be on hand. The line-up for Queens will be about the same as in the game with McGill last week. Rodden will be moved from middle wing to flying wins. Pilgrim will take Rodden's place on the wing line. At practice Captain Hazlett sprained his knee and had to be carried off the field. It was feared he would be out of the game, but he is able to be around, is in good shape, and will be found in his usual place Saturday.

The Double Blue are not favorites by any means, but they have vowed a fight to the bitter end. Manager Binkley is confident, while the Tigers are cocky. Blg Smirlle Lawson may be used and crossen Clark, so that the Tigers may find themselves up against a relentless half fine, who will come into the fray fresh at every quarter. The game will start at 2.30 o'clock and a record football crowd is expected.

Ridley and St. Andrews meet this morning on St. Andrews campus, in what will most likely be the deciding game in the Little Big Four. It will be a great battle, as the Scotchmen are going great guns and the champions from St. Catharines have a lot of new wrinkles.

O.A.C. come here today to play Varsity III in the final game of the home and home series, and the Aggles have a slight lead, but the Blue and White are expect-ed to pull out a victory on the round.

The Interprovincial Union meets to-night at the King Edward to arrange for playing off the tie between Ottawa and Argos at Rosedale next Saturday.

The Tiger II and East End Y.M.C.A. intermediates will provide the only foot, ball attraction in Hamilton today. A win for the east enders will cinch them the intermediate Big Four honors, but the Tigers, hope to annex and tie up the series, making a play-off necessary.

Varsity and Queens will battle at Kingston this afternoon and the Blue and White should pull out a victory, although the valiant Presbyterlans have decided of therwise. However, Capt. Maynard and his crew will have something to say in the disposal of the game, and will see to it that they are not sidetracked.

McGill have to win over R.M.C. at Montreal today to get another grip on the championship, but they will have to step some, as the soldier boys are hitting up a fast march these days.

Ottawa will walk right in, turn right around and walk right out again, when they hit Montreal today. It might as well be staged that way for all the chance that the Winged Wheelers have to turn the trick.
