

SHOP AT SIMPSON'S TODAY-REASONS BELOW

Boot Values That Have Grown

With the steady increase in the cost of leather and manufacturing, the wholesale prices of boots are now far greater than they were even a few months back. The real values of some of the boots offered here are greater than we state them, and the selling prices are actually less than it would cost to produce similar boots today.

THE MORAL IS: Buy while these prices are to be had. Buy today, and make sure of a good investment.

MEN'S \$2.50, \$3.00, \$3.50 AND \$4.00 BOOTS, MONDAY \$1.99.
