

Urates, contd.

- thorn-apple in cirrhosis .. 410
- - sacralgia from excess of .. 510
- URATES, DEPOSIT OF** .. 815
- - after biliary colic .. 500
- - diarrhoea .. 815
- - in distinguishing varieties of heart failure .. 815
- - fever .. 815
- - with heart failure .. 815
- - in hot weather .. 815
- - indicative of concentrated urine .. 815
- - lobar pneumonia .. 815
- - pink colour of .. 623, 815
- - rheumatic fever .. 815
- - after much sweating .. 815
- - uroerythrin in .. 815
- - after vomiting .. 815
- Urea in acute Bright's disease .. 12
- cerebrospinal fluid .. 339
- diminution in urine in acute yellow atrophy of liver .. 370
- nitrate fallacy in albumin test .. 6
- Ureter, calculus in (see Calculus, Ureteric)
- dilatation of, cystoscopic appearances in .. 625
- diseases of, referred pain in area of 10th dorsal nerve in .. 509
- fistula of, causing pneumaturia .. 576
- inflammatory affections of, cystoscopic appearances in .. 624
- kinking of, in movable kidney .. 500
- - pain due to, simulating biliary colic .. 500
- **obstruction of** .. 311
- - in bladder tumours .. 311
- - by calculus (see Calculus, Ureteric)
- - complete, atrophy of kidney due to .. 627
- - hydronephrosis in .. 395
- - incomplete, uro- or pyonephrosis due to .. 627
- - palpation of lower end per rectum .. 307, 394, 513, 515
- - papilloma of vesical orifice in papilloma of kidney .. 308
- **tuberculosis of**, association with vesical tuberculosis .. 513
- - cystoscopic appearances in (Plate V, Fig. D, p. 308) .. 515, 625
- - kidney enlarged and tender in .. 515
- - pain and frequency of micturition in .. 515
- - - in penis after micturition in .. 513
- - palpation per rectum .. 394, 513, 515, 625
- - - vaginam .. 394
- - secondary to renal tuberculosis 310, 312, 394, 515, 625
- - T. bacilli in urine in .. 515
- Urethritis, bacteriuria in** .. 83
- descending, due to B. coli and to staphylococcus .. 515
- - frequency of micturition in .. 515
- - non-tuberculous, cystoscopic appearance of ureteral orifice in (Plate V, Fig. C, p. 308) .. 515
- - tuberculous .. 515
- - pain in penis after micturition in .. 513, 515
- Urethra, abscess of (see Abscess, Urethral)
- calculus in (see Calculus, Urethral)

Urethra, contd.

- carcinoma of (see Carcinoma, Urethral)
- caruncle of, dyspareunia from .. 221
- - general account of .. 770
- - confusion of .. 308
- - discharges from (see Discharge, Urethral)
- - the use of the endoscope in .. 208
- - epithelioma of (see Carcinoma)
- - evidence of bleeding from .. 395
- - examination of, in obscure pyrexia .. 620
- - fistula of (see Fistula, Urethral)
- - foreign bodies in .. 210
- - gonococci in female .. 211, 769
- - gumma in .. 209
- - hard chancre of .. 209
- - herpes of .. 209
- - impaction of vesical growth in .. 441
- - injections into, epididymo-orchitis from .. 517, 518
- **injury of**, bleeding from external meatus in .. 511
- - extravasation of urine in .. 511
- - from fall on the perineum .. 511
- - faulty passage of instruments .. 511
- - fracture of pelvis .. 511
- - great care needed in instrumentation in .. 511
- - haematuria in .. 304
- - from kick or blow .. 511
- - pain in the penis during micturition in .. 510
- - perineum in .. 516
- - instrumentation of, epididymo-orchitis after .. 517, 518
- - irrigation of, in diagnosis between anterior and posterior urethritis .. 631
- - of posterior urethritis .. 628, 631
- - narrowing of, following soft sores .. 209
- - normal bacteria of .. 82
- - obstruction of, bilateral hydronephrosis in .. 395
- - by bladder tumour .. 514
- - due to epithelioma .. 767
- - pain in, with discharge .. 441
- - palpable tumour of .. 209
- - papilloma of .. 209
- - passage of faeces through, in carcinoma of rectum .. 633
- - gas through (see Pneumaturia)
- - pigmented in Addison's disease 574
- - polypus of, discharge due to .. 208
- - shown by the endoscope .. 208
- - prolapse of mucous membrane simulating urethral caruncle .. 770
- - vulval swelling due to .. 768
- - prostatic infection in gonorrhoea .. 518
- - rupture of .. 308
- - extravasation of urine in .. 308
- - inability to micturate in .. 308
- - smarting and tingling at end of, in onset of acute urethritis .. 510
- - soft sores in .. 209
- - stricture of (see Stricture of Urethra)
- - suppurated round, perineal sore from .. 677
- - tuberculosis of .. 210
- - ulceration of, acute epididymo-orchitis in .. 517, 518
- Urethral crises of locomotor ataxy .. 562

- Urethritis, bacteriuria in** .. 83
- causes for .. 206
- - chordee in .. 516, 675
- - cystitis from .. 627, 631
- - diagnosis from cystitis .. 631
- - dyspareunia from .. 221
- - epididymo-orchitis from 517, 765
- - fistula of urethra in .. 677
- - frequency of micturition in .. 631
- - gonorrhoea the commonest cause of .. 510
- - haematuria in .. 304, 513
- - herpetic, irritation during micturition in .. 209
- - history of infection in .. 675
- - due to impacted calculus .. 766
- - importance of uric acid crystals in .. 817
- - inflammation of spermatic cord in .. 523
- - leucocytosis in .. 400
- - occasionally due to septic infection .. 511
- - pain in the penis in .. 515
- - - during micturition in 510, 675
- - priapism from .. 585, 586
- - prostatic abscess due to .. 297, 511, 627, 631
- - after prostatectomy .. 767
- - prostatitis from .. 511, 627, 631
- - purulent urethral discharge in .. 511
- - pyrexia with .. 207
- - pyuria due to .. 630
- - retention of urine in .. 297
- - smarting and tingling in terminal urethra at onset .. 510
- - suppuration of glandular follicle in .. 677
- - testicular abscess due to .. 679
- - due to ulceration near a stricture .. 766
- - urethral abscess in .. 679
- - irrigation in diagnosis of .. 631
- **chronic**, gonococci often difficult to detect .. 209
- - when does infection cease .. 209
- - pyuria due to .. 631
- - gonorrhoeal (see Gonorrhoea)
- - gouty .. 818
- - priapism from .. 585, 586
- - pyuria due to .. 623
- - non-gonococcal, epididymitis from .. 766
- - due to instrumentation .. 766
- **posterior**, diagnosis from chronic cystitis .. 628
- - history of urethral infection in .. 628
- - nrethral irrigation in diagnosis of .. 628
- **septic**, acute prostatitis and prostatic abscess from .. 515
- - epididymo-orchitis in 517, 518
- - due to infection from simple leucorrhoea .. 518
- - in prostatic enlargement, from self-catheterization .. 680
- - pyuria due to .. 623, 631
- - testicular abscess in .. 680
- - staphylococcal .. 631
- Urethroscope (see Endoscope)
- Urethrotomy, anuria after .. 49
- Uric acid and calcium oxalate**, relationships between 471, 817
- - cayenne pepper deposits of .. 816
- - the clinker of metabolism .. 817
- - diminution in urine in acute yellow atrophy .. 370
- - effect of biliousness on .. 817
- - deficient exercise on .. 817
- - excessive eating on .. 817
- - excretion in birds .. 817
