WOODBRIDGE TESTERDAY.

Great Demonstration of Grangemen—Gorgeous Procession and Jubilant Speeches—Many Visitors From Toronte and Other Towns—The Hon. Member Received a Great Evation.

Woodbridge, July 13.— (Special.)—About 5000 people were here to-day, all bent upon celebrating the glorious, plous and immortal memory of King William at the home of the Grand Soverign, kept open house all day. The members of his household were very kind to numerous visitors.

An immense Union Jack was carried ahead of the Toronto contingent. Ben. Muldrew and William Johnston were the standard bearers.

Piper Hugh Smeaton of Inglewood provided a lot of entertainment. The crowd kept him working all day. They liked the bagpipes and his kilts.

Eginton Lodge No. 269 looked very fine with their plug hats.

Do You Use It?

It's the best thing for the hair under all circumstances. Just as no man by taking thought can add an inch to his stature, so no preparation can make hair. The utmost that can be done is to promote conditions favorable to growth. This is done by Ayer's Hair Vigor. It removes dandruff, cleanses the scalp, nourishes the soil in which the hair grows, and, just as a desert will blossom under rain, so bald heads grow hair, when the roots are nourished. But the roots must be there. If you wish your hair to retain its normal color, or if you wish to restore the lost tint of gray or faded hair use Ayer's Hair Vigor.
