Minty's

Tooth Paste

Cleans! Whitens! Prevents Decay!

Its real worth as an aid to better teeth has been proved by the dental profession throughout Canada, most of whom use it themselves and recommend it to their patients.

Its peculiarly delightful flavor and the lasting sensation of refreshing cleanliness it leaves in the mouth, is appreciated alike by young and old.

Because half an inch is all you need to properly clean the teeth and sterilize the mouth and brush, the most economical tooth paste to buy is MINTY'S.

It has been well said,
Minty's Tooth Paste
is necessary to good teeth.
