## OPEN-AIR HORSE SHOW BIGGEST AND BEST YET

### Several Hundred Commercial Steeds Compete For Association's Valuable Prizes.

Lovers of horses flocked to Queen's Park in large numbers yesterday morning to witness Toronto's seventh annual open air horse show and parade, which was bigger and even more successful than any of its predecessors. Not only but prizes were heard from the officers of the association, who annually devote much work and time to the promotion of the open air show, with the sole object, as the catalog states, "of improving the condition and treatment of commercial horses and to induce owners and drivers to take more pride in their animals' appearance."

That this object is being attained was plainly evidenced by the presence of hundreds of handsome steeds, groomed to perfection. Dr. Grange, principal of the Veterinary College; Joseph Russell, M.P.; W. F. Stark and a number of other judges, said they had never reviewed a finer lot of commercial horses. Speaking of the butchers' horses which he judged, Dr. Grange said he was surprised and delighted to find such a splendid grade of animals in front of the carcasses. He said the horses were better than those of any other show he had ever seen. The Dominion Transport Company's three horse team attracted much attention, while classes 20 and 21 (single drivers) also contained several very handsome animals. Mayor Oliver presented the medals to the winners. The show was held in the open air, and the public subscription, the gold, silver and bronze medals distributed were the first ever turned out at Ottawa. They are about the size of a half dollar, but thicker, and bear on the obverse side the Canadian coat of arms, and on the reverse the name of the horse and the name of the owner. Each gold medal contains 100 words, and each silver and bronze medal contains 50 words. Following were the prize winners:
