Colonial, Sheraton-Many of the Charming Period Types-Are Here Displayed in Such Array That No Longer Can We Believe That The Truly Beautiful is Only for the "Few" and That Others Must be Content With What is Merely Useful, for These Pieces Combine the Artistic With the Practical, and at August Sale Quotations the Prices Are Surprisingly Low

THE TORONTO WORLD

VORY ENAMEL PAINTED FURNITURE is quite "the rage" at present for the bedroom. This 8-piece suite is. like all the above, of dust proof construction and well made in every particular.

A VELVET LINED JEWELRY DRAWER is a notable feature in dresser, chiffonier and toilette table-in fact, the whole arrangement of drawers is unique for between the small square ones which are uppermost at each side lie two very shallow wide ones, the topmost being velvet lined and the lower and all the rest being mahogany lined.

PAINTED MEDALLIONS-either groups of flowers or tiny rural scenes are charming as accent notes where a corner or abrupt curve occurs, and at other places a narrow fluted moulding is noted.

INLAYS OF CANE are attractive in seat and back of the two chairs, low pediment which replaces the mirror on the chiffonier, and twin beds. Greatly reduced; August Sale Price. 8 pieces, \$375.00.

### ONE NATURALLY THINKS OF COLONIAL FURNI-TURE IN TERMS OF DARK, RICH MAHOGANY and whether it be the "post" type like the suite illustrated, or the more massive style with swelling pilasters, the effect is equally handsome.

THE BED WITH ITS FOUR POSTS projecting only slightly above the head and foot-boards is very severe-even stately-in its simplicity and the lustrous finish of the mahogany shows to best advantage on the plane surfaces and chaste mouldings: price, \$44.00.

THE STANDARDS which support the mirrors are slender, graceful, slightly tapering and topped by balls to match those on the bed. The dresser is exceptionally long, has four drawers and a mirror of unusual dimensions; price, \$54.00. The chiffonier has a smaller mirror and stands very high with six roomy drawers; price, \$47.50. The washstand is priced at \$18.00.

THE DRESSING TABLE is charming with its five small drawers and its slender, yet truly Colonial legs and not its least attractive feature is its single large mirror; price, \$32.00.

A CIRCASSIAN WALNUT THREE-PIECE SUITE AT HALF-PRICE is a rare bargain which is only possible as being part of a special purchase of three carload lots secured from the manufacturer under particularly advantageous conditions.

OF POST COLONIAL CONSTRUCTION with fluted columns as the distinguishing feature the design of this suite is truly handsome and shows to advantage the beautiful grain of the wood. The mirrors have flat frames; all the pieces have heavy tops, and dresser has 3 top drawers and two long deep drawers, chiffonier 6 drawers, toilet table 3 drawers. This 3-piece suite half-price, \$94.00.

IN SHERATON STYLE are two beautiful bedroom suites. One of walnut is moderate in size and well finished; the dresser has large mirror, double top, 4 drawers, wood knobs; August Sale Price, \$29.50; 3 mirror toilet table, August Sale Price, \$26.50; bedstead, August Sale Price, \$27.00.

CIRCASSIAN WALNUT forms the other which is much reduced in price. Dresser with oval or shaped mirror, August Sale Price, \$29.00; Chiffonier, August Sale Price, \$26.50; Toilet Table, August Sale Price, \$15.00.

THE DEEP, CLOSE FILE OF THE ENGLISH AXMIN-STER and its being woven without seams are excellent quali-ties which make it so eminently adapted for hard wear in liv-ing-room, dining-room, hall or bedroom. Where upholstery, walls, or hangings are intlined to over-ornamentation the perfect floor covering would be one of these rugs with plain centre in blue, green, or golden brown with banded border of deeper tones or with interlaced Acanthus border alj in varying hues of one color.

THE DEEP, CLOSE PILE OF THE ENGLISH AXMIN

THE KAZAC DESIGN has the whole pattern developed in straight lines giving a "squared" effect; these are all in deeper tones suitable for living-room or library. Floral pat-terns that would be charming for bedrooms with dainty chintzes to harmonize are in pale greens, roses, and blues; while conventional patterns are shown in great variety, one of particular charm combining rose, cream and olive with suggestions of black in outline.

A few sizes and prices follow: 6 ft x 7 ft. 6 in., price, \$21.50; 6 ft. x 9 ft., price, \$25.50; 9 ft. x 10 ft. 6 in., price, \$45.00; 9 ft. x 12 ft., price, \$51.00; 10 ft. 6 in. x 13 ft. 6 in., price, \$67.50.

WILTON SQUARES OF FINE QUALITY, seamless weave, are mainly in Oriental designs and form a rich and service-able setting for the furnishing of a room.

THE CHINESE SAMARAKAND pattern shows a soft tan ground with quaint figures in brown, dark blue, ivory and black. The Ferehan rugs show a small intricate all-over pattern, as centre with more plainly defined repeats of the same as border; some are in brown, rose and grey, others feature navy blue as a background color with bright hues in the design.
