Such a battalion he was told was needed to round up the Y.M.C.A. and temperance workers in Toronto. In accordance with the statements of Y.M.C.A. and temperance leaders he undertook to raise a battalion with Y.M.C.A. and temperance standards. He had only 400 men and was waiting for the other 800. Suggestion Made at Meeting of Conservative Association Last Night.

The annual meeting of the North Wychwood Conservative Association was held last evening at the residence of W. J. Hughes, 50 Wychwood avenue, President Fred Powers in the chair. "The great number of men who have donned the khaki in the Wychwood district has practically crippled the various associations, and makes it difficult to get a sufficient attendance to conduct the business of our organization," he said.

The question of a permanent piace of meeting was discussed at some length. W. J. Hughes suggested that the various societies and associations in the district be approached with the idea of procuring a suitable site for the erection of a public hall.
