## MOSHERS AT ARENA START BIG SEASON

Wednesday and Saturday Night  
Dances, Splendid Orchestra and  
Other Features.

Now that the Arena has become one  
of the popular places in Toronto  
for dancing, it will be good news to  
dance enthusiasts in Toronto to hear  
that Mr. and Mrs. Mosher have secured  
it for every Wednesday and Saturday  
night during the summer season,  
commencing next Wednesday, May 10,  
when the grand opening dance will be

held. Dancing will be on the European  
plan, and will be from 8 to 12 o'clock.  
The electrical decorations at the Arena  
will be most artistic in every detail,  
while the floor has been especially pre-  
pared for dancing. Parties desiring  
can secure boxes, while there are  
4000 seats which can be used by friends  
and chaperones of the dancers, or those  
who do not dance themselves, but like  
to watch others. Light refreshments  
will be served each Wednesday and  
Saturday, and there will be a few short,  
snappy cabaret acts.

The principal feature will be the  
music, which will be supplied by the  
augmented Mosher dance orchestra, the  
largest playing in Canada.

## MISS CAVELL'S EXAMPLE PORTRAYED IN PICTURES

Great War Drama Will be Pre-  
sented by Women at Gayety  
This Week.

### SOUL STIRRING EVENTS

Exhibition is in Behalf of Irish Can-  
adian Battalion's Field  
Kitchen Fund.

The Gayety Theatre this week is going  
to be the scene of a daily commemo-  
ration of the noblest and bravest of  
female bravery which has stirred the  
empire since the war started. It will be  
the presentation of "The Martyrdom of  
Nurse Cavell" for the benefit of Lieut.  
Col. Lennox's soldiers, who are in the  
trenches, under the direction of Mrs. Am-  
brose J. Small. The production is an  
Australian photo-play, based on the his-  
torical facts surrounding the trial and  
execution of Edith M. Cavell, the heroic  
Red Cross nurse who gave up her life  
for assisting English, French and Bel-  
gian soldiers to escape from Brussels  
and became the victim of one of the  
worst acts of brutality and ruthlessness  
known in the history of the world.

While the story opens the world is at  
war and Nurse Cavell is an angel of  
mercy to the maimed and battered sol-  
diers in the Brussels hospital. She re-  
ceives an invitation to the wedding of  
Georges Renard, a Belgian lieutenant,  
and Yvonne Louet, both dear friends of  
hers, and while at the house meets Kurt  
Ories, a German military spy, posing as  
a medical student.

Trouble ensues between Ories and Ren-  
ard and the former, vowing vengeance,  
prepares his plan for the capture of the  
city's defenses to the oncoming German  
army. After his capture and occupa-  
tion of the city he launches his attack  
on Renard and his wife.

How fiendishly he sets to work to en-  
trap the fleeing couple; his denounce-  
ment of Nurse Cavell and the ignomi-  
nious part he plays in all that leads up  
to martyrdom are incidents that re-  
ceive graphic treatment in the picture.

"Tell my friends I gave my life will-  
ingly for my country. I have no fear  
or shrinking. I have seen death so often  
it is not fearful or strange to me."

Nurse Cavell's last message to human-  
ity as she faced the firing party of Hun  
murderers is one typical of the nobility  
of the woman who was martyred to save  
the unfortunate men and women in  
death-stricken Belgium.

portrayal of the story of her glorious  
work and noble death should arouse every  
woman in Toronto to a new sense of  
patriotic resolve and duty.

The exhibition under Mrs. Small's di-  
rection is being conducted by women for  
women. The entire proceeds of the week  
will go to the 208th Irish Canadian Bat-  
talion's Field Kitchen Fund. Arrangements are being  
made for all the nurses in the city to  
witness the picture and the female patriotic clubs and so-  
cieties will also attend in strength on  
different days. The performance will be  
continuous from 12 noon to 11 p.m. daily  
at popular prices.

## GREEK COMEDY GIVEN TO AID THE SOLDIERS

"Pygmalion and Galatea," an unusu-  
ally pretty and amusing Greek comedy,  
was presented at the Margaret Eaton  
School by the Queen's Canadian Hospi-  
talian Aid.

The cast consisted of the same club  
members as when the play was given  
several weeks ago in West Toronto,  
and all showed considerable dramatic  
talent as well as excellent training.  
Miss Edna McDonald, a diamond med-  
alist in elocution, made a perfect  
Galatea, her fair beauty and girlish  
girliness being eminently suited to

## Throw Away Your Eye-Glasses! A Free Prescription

You Can Have Filled and Use at Home.

Do you wear glasses? Are you a vic-  
tim of eye-strain or other eye-weak-  
nesses? If so, you will be glad to know  
that there is real hope for you, many  
whose eyes were failing say they have  
had their eyes restored through the prin-  
ciple of this wonderful free prescription.  
One man says, after trying it: "I was  
almost blind; could not see to read at  
all. Now I can read everything without  
any glasses, and my eyes do not water  
anymore. At night they would pain  
dreadfully; now they feel fine all the  
time. It was like a miracle to me."

A lady who used it says: "The atmo-  
sphere seemed hazy with or without  
glasses, but after using this prescription  
for fifteen days everything seems clear.  
I can even read fine print without  
glasses." It is believed that thousands  
more will be able to see clearly and ex-  
pose as to be spared the agonizing eyes  
sense of ever getting glasses. Bye-  
troubles of many eyes are cleared up  
wonderfully benefited by following the  
simple rules. Here is the prescription:  
Go to any active drug store and get a

the part of the beautiful "statue," to  
whom the gods gave life; while Mr.  
Fred Kemp's portrayal of the sculptor  
Pygmalion, showed talent and in-  
tense work. A number of pretty girls were  
used as statues in the decoration of  
the studio scenes.

Mr. Broadus Farmer, with Miss Eva  
Calloway as accompanist, added much  
to the evening's entertainment by a  
violin solo in three movements, while  
a number of classical and interpreta-  
tive dances, arranged and directed by  
Miss Josephine Hodgson, were given to  
piano and violin accompaniment by a  
number of small girls; one, a "but-  
terfly" dance, by two very tiny tots,  
being specially delightful. Miss Hodg-  
son herself was seen in two solo dances,  
"Blonde's Song" and "The Little  
Humoresque," and received hearty ap-  
plause. Miss Stella Rowntree acted as  
pianist.

The proceeds of the evening's enter-  
tainment will go to the comfort of  
wounded at the Queen's Canadian  
Military Hospital, Shorncliffe.

## A MARVELLOUS ACHIEVEMENT OF A LARGE MANUFACTURER.

Donald F. Johnston, Canadian dis-  
tributor for the Stewart-Warner  
Speedometer Corporation, has receiv-  
ed a large stock of Stewart phonog-  
raphs by express.

These instruments are made by the  
Stewart Phonograph Corporation, the  
Bon-Opto tablet does not need any in-  
troduction, as it is already a famous  
name, and Mr. Johnston says that this  
instrument is the best of its kind. It  
will soon make the name famous thru-  
out Canada, in the phonograph line, as  
it is just what the whole of Canada  
has been looking for. It plays all re-  
cords, the highest priced and lowest  
priced, 6", 10" and 12" sizes. Its tones  
are equal to the tones of the highest  
priced machines in the world.

Being able to manufacture the Ste-  
wart phonograph, and market it in  
Canada at \$6.00 is a marvelous  
achievement. A demonstration of the  
wonderful way in which it reproduces  
music can be had at Stewart Products  
Service Station, 488 Yonge street.

## LIFE BELTS REQUIRED FOR EVERY PASSENGER

Government Raises Requirements  
Regarding Number of Life-  
boats and Belts.

The annual spring cleaning goes  
steadily on along the waterfront. Do-  
minion Inspector Evans is completing  
his inspection of the Cayuga.

The government has raised the re-  
quirements regarding the number of  
life-boats and life-saving equipment  
on a great number of the boats. Most  
of the boats also carry a number of  
life-rafts, and all are required to have  
a certain amount of buoyancy, which  
may be in the form of air-tight com-  
partments under the chairs or air  
cushions or rafts. A life-belt is re-  
quired for every passenger, and these  
belts are regularly inspected.

All seamen on boats touching Amer-  
ican ports must be able-bodied and

have a certificate of fitness. This is  
required by the United States Sea-  
men's Act, which came into force  
March 4, this year. It requires the  
men to be thoroughly competent. The  
crew of the Cayuga have had their  
examination and have been passed.

The Canada Steamship Line's  
steamer Toronto has gone to Kingston  
to be scraped and painted in drydock  
there. The Corona has been under-  
going the same treatment in that city.

The Modjoka and Macanaw are go-  
ing to be scraped and painted in the  
drydock at Port Dalhousie.
