STREET

St. Vincent Commandery and Auxi-liary, Knights of St. John, have issued invitations to their monthly dance, on Shrove Tuesday, Feb. 24. in St. Mary's Hall, Adelaide and Bathurst streets. Invitations may be had from the sec-retary, Main 3160.

Mrs. C. McWhinnie, 26 Highview escent, Oakwood Park, has issued tions for this breach of the law seldom come to special notice, it is reported from Wuchang that a smoker among the soldiers of the garrison there was caught induiging in the habit and after "trial" before a court made up of his comrades, he was sentenced to imme-diate execution and was shot to death. witations to an at home, on Friday, ob. 20, from 4to 6 o'clock; her niece Mrs. Reger, with her.

Mrs. S. M. Wiles held her first recep-tion on Tuesday afternoon; in her new house, St. Clair and Ascot avenues. Master Gordon Davidson made a very This is one of the many instances of the fact that courts of law are not emaster Gordon Davidson made a very arming picture in his kilts and white ployed in China in cases where they would be in western countries. An atkid gloves, and opened the door to about 40 of the friends. The hostess; about 40 of the friends. The hostess; gowned in a soft ombre satin with jewel trimming, received at the en-trance of the drawing room, Mrs. Wiles' daughters, the Misses Cora and Doris Wiles, dressed in yellow satin, assisted. Carnations and ferns deco-rated all the rooms. The tea room was atranged with red carnations and red shaded candles and was presided over by Mrs. S. Dunn and Mrs. J. L. David-son.

tempt is being made now by the gov-ernment of Yuan Shi Kai to institute law courts, which will gradually ren-der unnecessary the placing of auto-cratic power in the hands of the local governors. Numerous orders have been issued recently from the president's office, de-signed to reform and reorganize the judiciary. The following is an extract from one mandate:

"There never have been institutions for training judicial officers. The

On Monday evening last Miss Annie McMurchy entertained the Alla Vista choice of judges has not been made with care, and the salaries are small. Consequently inefficient men are plac-McMurchy entertained the Alla Vista at a euchre party at her house in Bea-trice street. The house was desorat-ed with St. Valentine emblems and red and white tulips. At midnight sup-per was served at small tables. The perses were won by the following: Miss ed on the bench and corruption pre vails. In extreme cases corruption is practiced jointly by the judges and barristers, and the evils thus brought about are worse than those of the past dynasty. Good citizens are usually meek and feeble, while bad characters are cruel and strong. These two eleprizes were won by the following: Miss Annie McMurchy I. Miss Evelyn Strohm 2: Mr. Leo McMurchy I, Mr. Westley Tanner 2. Among those pre-sent were: Mrs. Robertson, Mrs. Mc-Leilan, Miss Elsie Grocott. Miss Mar-guerite Wilson, Miss Liflian Doxsee, Miss Irene Metcalfe, Miss Ruby Wil-Hamson, Miss Pearl Sime, Miss Dot Wingrove, Miss Oulda McMurchy, Mr. Willard Kettle, Mr. Claire Bud, Mr. Gordon Gillard, Mr. George White, Mr. E. Stevens, Mr. J. Adams, Mr. George Doxsee and Mr. Byers. ments can be made to live peacefully together only thru the operation of the law. But if the law falls to protect the weak from the strong, then anarchy ensues. Confucius says that if justice is not impartially administered the people will not be able to distinguish what is right and what is wrong, and that if they fail to make such distinct

Thick Weather. WASHINGTON, Feb. 8.—As the re-sult of the remains and sinking of the Old Dominion liner. Monroe by the steamer Nantucket, it is probable that efforts will be made at once by the department of commerce to have an international law adopted requiring steamebine to come as nearly to a full stop as possible and remain stopped as long as the lookout or the captain on the bridge is unable to distinguish moving objects clearly within an eighth of a mile. The department of commerce has full power to prescribe such a rule on navigation within the jurisdiction of the United States, but on the high seas it would be accessary for the en-forcement of such a rule to amend the maritime convention to which the United States is a signatory power and to which twenty-five or thirty other nations also have subscribed. In the past it has been difficult to set this convention is mapedia. George Uhier, supervising imspector-serial of the steamboat inspection service, said that he was strongly in favor of the eighth of a mile rule for mavigation of the its as the baction be that he would recommend to secretary Rediction that action be taken to have such a rule adopted.
