

TORONTO PUBLIC SCHOOL CHILDREN'S COT.

This Cot is the gift of the Toronto Public School Children, who last year gave nearly \$1400.00 towards its endowment, and will no doubt soon complete the requisite \$2000.00. The little patient is just recovering from typhoid fever.

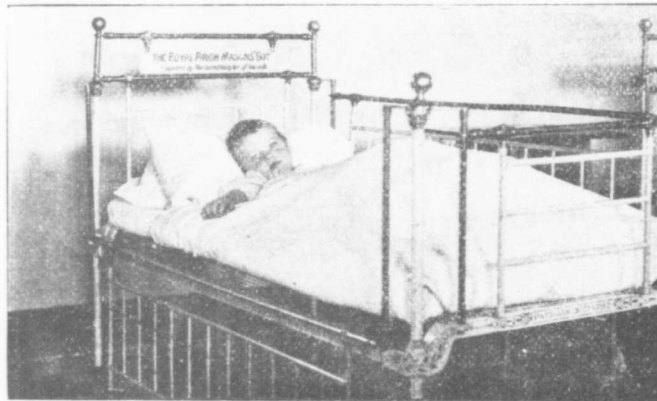

GRAND LODGE OF CANADA COT, No. 1.

This is the first Cot endowed by the Grand Lodge of Free Masons of Canada, in which there is a little patient suffering from club foot. Eight patients were in this Cot at different times during the past year.

ONTARIO PUBLIC SCHOOL CHILDREN'S COT.

The scholars of the Ontario Public Schools commenced the endowment of this Cot by contributing \$1153.00. They will complete the fund of \$2000.00 this year. In this Cot a little girl is being treated for hip disease.

THE ROYAL ARCH MASONS' COT.

The Grand Chapter of Royal Arch Masons of Canada Cot has had during the last year six patients, and the little boy now in it is being treated for a broken leg.

Some Cots endowed and maintained in the Hospital.
