### POLICE COURT

**James McMullin Arranged on a Charge of Assaulting Wilbur Graham.**

James McMullin, aged 22 arrested on Haymarket Square yesterday afternoon charged with assaulting Wilbur Graham pleaded not guilty. Policeman Rankin who apprehended both men testified that McMullin followed Graham on Haymarket Square, and beat him within view of the police and when searched three stones were found in McMullin's pocket. The officer said he had testimony to present which would substantiate the assertion that McMullin struck Graham twelve times, while the latter was sitting on a door step and as his witness was a street car conductor an opportune hour would have to be selected for the hearing. McMullin was remanded for inebriation.

### PRICES CLIMBING

**AWAY OUT OF SIGHT**

**How the Prices of Foodstuffs Have Advanced in St. John During Past Few Weeks.**

Judging from the way the prices of foodstuffs have advanced during the past few weeks, the prospect is that a higher level of prices will prevail on staple articles this fall than for some years past. In almost every line the quotations have been advanced and in some cases the prices asked are higher than for many years.

There has been almost a flour famine in St. John during the past few weeks. The strike on the C. P. R. has interfered with shipments coming forward and it has been a very difficult matter for the dealers to fill orders as promptly as they would wish. It has been especially hard to procure sufficient of certain Manitoba brands as the millers have been unable to get stock forward from the mills in Manitoba to Montreal owing to bush fires along the line of railway which resulted in the loss of two bridges and which tied up traffic at Fort William. The line, however, is now clear and the railroad is rushing all shipments forward so that within a week or ten days there will be plenty of flour to supply all demands.

The great export demand for wheat has prevented any lower prices on Manitoba patents and no change is looked for for some time. All grades of Ontario flours advanced on Sept. 4th and local dealers say they would not be surprised if another advance was recorded in the near future. Oatsmeal has advanced 10 cents per barrel within a week and the millers advise that there will be a further advance in the near future.

The sugar market has shown considerable strength during the past week, New York having advanced 10 cents per hundred pounds on all grades. The raw market shows a further advance of 8 cents per hundred pounds and still higher prices are anticipated.

Salt pork and lard are higher now than ever before and as there is a shortage of the hogs the outlook on all pork products is for higher prices during the whole season.

Cheese is also very high and on many other lines the prices are soaring.

### WILL APPEAL TO SUPREME COURT

**Notice of Appeal Has Been in the Case of Chamberlain vs. The King.**

Notice of appeal to the supreme court of Canada was yesterday given in the case of Chamberlain v. The King. This action was brought by Mr. Chamberlain, a resident of Adington parish, County of Restigouche, and was for fourteen thousand dollars. A year and a half ago Mr. Chamberlain's residence, barns and other buildings, situated a mile or two above Campbellton, were totally destroyed by fire with all their contents. The buildings were within seventy feet of the L. C. R. track, and Mr. Chamberlain contended that the fire was caused by a spark from a defective locomotive. Evidence was heard before the late Justice Burridge, who, however, became ill and was unable to render a verdict. The case took place before Justice Cassels in St. John in May last, and judgment was given in June, dismissing the case with costs. Mr. Chamberlain proved his case so far as the value of the destroyed property was concerned, but it was contended, did not fix the responsibility on the government. In the hearing of the case expert witnesses were brought from Quebec.

### MEETS IN NEW ROOMS

Companion Court Hetherington met in Foresters Hall, Charlotte street, on Wednesday evening for the first time. Its former place of meeting being in the Temple of Honor lodge room, Union Hall, North End. Having added largely to its membership during the past year, and in view of the fact that lodges are now admitted to the sick and funeral benefits, and also as social members, it was found necessary to seek larger and more convenient quarters.

The meeting was largely attended by its members and visitors from subordinate courts. After the general business of the court a pleasant hour was spent, refreshment and speeches being in order. This court has for its officers, Mrs. M. A. McLeod, chief ranger; Miss Mabel Starkey, recording secretary; Mrs. E. D. Starkey, financial secretary, and an efficient staff of assistants under whose management, and with the facilities which Foresters Hall affords to carry on the work, the success of this court is assured.

### PROBATE COURT

Estate of Edward McGuigan, deceased. Accounts filed and petition of the Hon. John L. Carleton, County Court Judge, administrator de bonis non, to pass the same. Citation issued returnable on Tuesday, 10th November at 11 a.m.; Clarence H. Ferguson, proctor.
