THE WEEKLY OBSERVER.

PROSPECTUS Of the Nova-Scotia Baptist Education Society.

and of the Literary and Theologicol Institution to be connected therewith.

and of the Literary and Theological Institution to be connected therewith.
 T is universalty admitted that Education has a power of the information of the rewith and society :--In this Province a wide field is open for exertion, with reference to this object; and the Baptists, as forming a very large period work, with energy proportioned to the addate this good work, with energy proportioned to the addate to the ministry of the primary one, is a religious point of vice, is the priving suitable instruction, within the reach of young mea, who feel themetves called to the ministry of the Gospel; used young mean of metal improvement, and thus powerfolly claim the attention of all friends of the solution. Eag. Willing, Eag. Staff of the general instruction of youth, so situated as to afford as much facility of communication with Province as possible ; and wherein the condition of the sopel in general; that thus the advantages of Education may not, as has bitherto been too often the case, be confined to the state of society, and the candition of the spopel in general; that thus the advantages of Education may not, as has bitherto been too often the case, be confined to the state of the waithy, nor the time of the south coexpiel in general; that thus the advantages of Education may not, as has bitherto been too often the case, be confined to the state of the waithy, and the canguing these objects, it is propared.
 The as a Scriety be formed, to be called The Nova Schaft and the facility of communication with accupied with the state of the state of the south coexpiel with accupied with a station of the province as possible ; and the facility of communication with a state of the constity and the condition of the spote in general; that thas the advantages of Education may not, as has bitherto been too often the case, be confined to the state of the spote of the spote of the spote. The second object, the second to fit thematoff the spote. The second of the spote of the spote. The secon

proposed,
J. That a Society be formed, to be called The Nova Scotia Baptist Education Society.
2. That all persons paying an aneunl subscription of twenty shillings and opwards, or making a donation of ten pounds or opwards, shall be Members of the Society.
3. That the funds of the Society will be appropriated to the two main objects : first, to establish a suitable Seminary of Learning : and secondly, to afford preu-niary assistance to indigent young men called to preach the Gospel, for the purpose of enabling them to obtain instruction.
4. That a general meeting of the Society be heid

4. That a general meeting of the Society be held

anutally. 5. That there be appointed a President, two Vice Presidents, two Scoretaries, and a Treasurer, a Board of Directors, and a Committee of Management. 6. That the Board of Directors be chosen at the annual meeting of the Society; and the officers and Committee of Management be chosen by the Board of Directors.

of Directors. 7. That of the Board of Directors, ten, at least, shall be ordained Baptist Ministers, and two thirds of the whole nomber, at least, regular Members of Baptist Churches in connection with the Nova Scotia Baptist

S. That the Committee of Management shall consist of, at least, seven, and not more than twelve Members; of whom more than one half shall be regular Members of Bapist Churches in connection with the Nova Scotta Buntist Association

 d) Pancheons IIUJ THE SUBSCRIBER begs leave to inform his friends and the public, that he has estab-lished a BREWERY in Caermarthen-street, Low-

HOUSES & LANDS. FOR SALE.

HAT well known Establishment in the Parish of Fredericton, known by the name of the GOLD-EN BALL, or BARRISTERS INN, now in possession of Benjamin Creighton. The above property will be offered with or without the Forniture, at Private Sale, until the 24th day of December next; and then, if not previously disposed of, will be offered on the premises at Public Auction. The Sale to commence at 11 o'clock. For particulars, please to apply either to JAMES MILES, OF JEDEDIAL SLASON. Fredericton, Nov. 7, 1828.

TO BE LET,

From the first of May next :--

THE Dwelling-House and Store iu Prince William-street, now occupied by Mis. KNUTTON. In addition to the Store, which is nearly fitted up, and, as a stand for business, surpassed by few in the City, the House contains eight Rooms, six of iu Prince William-street, now and a large Yard, with a well of Water in the same. For further particulars, apply to Mrs. DowLING, nearly opposite the residence of the late Hon. J. ROBINSON, Germain-street. October 28.

400 A CRES of excellent LAND, situated in King's County, forty-two miles from Saint John, upwards of twenty acres cleared and in good cultivation, with a House, &c. on the same. For particulars, apply to JOHN COOK, Druggist.

St. John, October 14, 1828.

TO LET, And possession given immediately— PLEASANTLY situated HOUSE, in Great George-street, well calcula-

ted for a small family. Apply at the OBSERVER OFFICE. 16th September, 1828. OFFICE.

FOR SALE, OR TO BE LET, MIAT large, commodious, and well-finished HOUSE, in Germain-street, opposite Trinity Church, owned by the Subscriber.-The premises are well adapted for a Boarding House, for which the pleasant situation and other con-veniences render it very desirable. The pre-

Department in the Seminary. 13. It shall be the care of the Committee to provide efficient Teachers for this Seminary, to whose moral and retigious character special regard will be had; and it is considered an object in every department ander the influence of the Society, never to be lost sight of, that the scholars and students, while acquiring informa-tion to fit them for their various stations in tife, should be led to a knowledge of the true relation of man to bis Creator, and of that faith in the Lord Jesus Christ, which alone can forucher a sure pledge of their good conduct in this world, and their happiness in eteraity. 14. That the Seminary be open to children, and persons of any religious denomination. 15. That to the attainment of the objects of the In-stitution, it is essentially requisite that the whole sys-tem should be conducted upon a principle of the most-strict and simple Economy, and no distinctions among the scholars and students, arising from wealth or exter-nal circumstances, permitted to appear; the scholars will, as soon as practicable, be boarded at the lustitu-tion, and it is thought adviseable to connect with the establishment a farm, under the care of some respecta-his presens, for the supply of articles of provision for the use of the School, and for affording an opportunity of employing the Sops during a portion of their teisare ployed sensors of leisure. The diet and trees of the Scholars to be of the plainest kind, and to be regulated by the Committe, and made known as part of the terms of the school, to be conformed to without exception. 16. The terms of Tuition and Board to be fixed at as low a rate as possible.

The first feaster sensors in the year, is the proposed that this branches of study, more immediately requisite for their respective objects.
With these principles in yiew, it is proposed that this lostitution shall Bord the means of instruction in the sund branches of English Literature, and of scientific classies], and other studies, which usually comprise the course of Education at an Academy and College. It will, however, be the business of the Committee to exercise their discretion from time to time, in adopting or discontinuing such branches of the Society shall permit, to adapt this Institution to nawer all the ends above proposed. Provided, however,
19. That of the Committee and Board of Directors, that part who shall be members of Baptist Association shall have the sole regulation of the Theological Department in the care of the Committee to provide efficient Teachers for this Semicary, to whose more and the sole term the semicary to whose more and the sole term the semicary to whose more and the semicary.
