BONUS FOR EMPLOYEES OF IMPERIAL OIL COMP. NY LIMITED

A large number of commercial and financial organizations are issuing year-end statements to their employees, announcing special rewards for faithful service during an unusually strenuous and arduous year. In recognizing the fact that conditions, being abnormal, are unlikely to be permanent, and that for the time being the existence of high prices for practically all the necessities of life have greatly increased. Some of the banks are graduating the amount of bonus paid to their employees so that the maximum of benefit will go to married men who are in the lower grades of the service.

The largest commercial organization to announce such benefits is The Imperial Oil Company, Ltd., the directors of which have decided to grant for the year 1916 to all employees of one year or more service (engaged on a monthly basis), one month's salary; and to all similar employees in the service for a period of six months to a year, a bonus of a fortnight's salary. These gifts will be payable to several thousand employees from the Atlantic to the Pacific.

A very large proportion of the Imperial Oil pay roll represents shareholders of the company. A year ago the opportunity was offered to every employee to invest in its stock on exceedingly advantageous terms, and to the large number who accepted the offer the investment has proved unusually lucrative.

Was Completely Laid Up With Severe Case of Piles

Sworn Statement From a Man Who Has Unbounded Confidence in Dr. Chase's Ointment

There is no longer any debate as to the best treatment for itching, bleeding or protruding piles. But since about one person in every four suffers more or less from this annoying ailment it is necessary to keep on telling people about Dr. Chase's Ointment.

Mr. Wm. Shaw, Island Brook, Que., writes: "I am writing this to let you know the benefit I have derived from your Ointment. I have suffered more or less for years with protruding piles, and last winter I got so bad I was completely laid up with them. I went to my local storekeeper and asked him if he had anything that was good for piles and he recommended Dr. Chase's Ointment. I purchased a box and took it home and used it according to directions and for over one year I have not been troubled with piles. I had tried other remedies before but they only gave me temporary relief and that one box of your Ointment did more for me than all the others, as I have not been troubled since last winter. I consider it to be the best remedy for piles I have ever used and shall always carry a box with me, although I don't think I will need it for piles. We have used it for other purposes in the family, such as burns and cuts, scratches, etc., and my wife says it is one of the best remedies for such purposes we have ever had in the house. Although you only charge 25 cents a box for it, it is well worth 85 cents a box for anyone afflicted with piles. Now, you can use this letter if you wish or refer anyone to me who wants to know about it for piles. I might say that in my business I am known all over the English portion of Quebec, and am having this statement sworn to before a Justice of the Peace."

"Sworn before me this first day of April, 1916. M. M. Holbrook, J. P., Island Brook, Que." Dr. Chase's Ointment, 90c. a box, all dealers or Edman-son, Bates & Co., Ltd., Toronto.

It takes quite a while for a woman to pick out a hat, but not as long as it does for her to select wall paper. That is the reason for the understanding among her friends that Mrs. Jones is the most remarkable woman in the world. She went to the city from her suburban home with just forty-eight minutes between trains; she selected paper for three rooms and paid for it; on the way back to the station she stopped and
