England is now asking Canada for 5, 000 navy recruits, exactly what Laurier's Canadian navy aimed at. Who were trying to help the Germans by blocking this project, and substituting another that has been useless to Great Britain up to the present time?

There is no one word in Sir Robert Borden's message of regret to Sevigny that there was a compact, agreement or understanding that there would be no by-election in a county, excepting where a death took place. There was no death in the county of Dorchester.

The political fight in Dorchester will show the true German sympathy of the Tory government, in permitting the Germans of Berlin to retain their objectionable town name until a few months ago. But this is nothing to the freedom al-

After Years of Suffering Attributes Cure to Dr. Chase's K.dney-Liver Pills

Eating too much or using foods that do not agree are the usual causes of indigestion.

The trouble usually begins not in the stomach, but in the liver, since it devolves on this organ to filter the excess waste matter from the system. Now, since Dr. Chase's Kidney-Liver Pills. I would have an attack of this trouble with my stomach every three or four weeks, and was so bad at times that my friends thought I would surely die. Thanks to these pills, I have not had an attack for six months, and believe that the cure is active the poisonous waste matter is quickly removed from the system, and there is nothing to interfere with the natural and healthful working of the organs of digestion. In this way only can lasting cure be effected.

Mrs. Rebeccae Elliott, Magnetawan, Ont., writes: "I feel it my duty to write you in regard to Dr. Chase's Kidney-Liver Pills. I had gastritis of the stomach for three years, and could get
