LADY ASTOR OFFERS TO GIVE UP SEAT

Would Make Way For Mrs. Pankhurst, Who Declines Honor Now.

LONDON, March 4.—"I feel that I have been in the House of Commons as a sort of a preliminary center, awaiting for a real horse to come along," declared Lady Astor, M. P., last night, as she offered to resign her seat in favor of Mrs. Emmeline Pankhurst, the one time militant suffragette leader. "There is no sacrifice any woman would not make to get you into the commons," Lady Astor added. Mrs. Pankhurst gracefully declined the offer of Lady Astor, but expressed willingness to contest some seat which may fall vacant. She said she was a Constitutionalist but denied a rumor that she had accepted an invitation to become a Conservative. Mrs. Pankhurst recently returned to England from Canada, but expressed intention of permanently residing here and desiring of entering parliament. The offer of Lady Astor was made at a dinner given Mrs. Pankhurst by women friends. All the speakers urged Mrs. Pankhurst to run for parliament.

Brokers' Opinions

NEW YORK, March 4.—Hornblower: "No one can do anything more than the market will do. The movement of the speculative movement, however, certainly would suggest a certain amount of reaction following the first return, no matter what occurs or how long it takes to see a new reaction. The one thing that can be said of the market is that it is not yet in a position to correct a good many weaknesses of the situation. The Good that men do Lives after them

More than sixty-eight years ago, Rev. Father John O'Brien was in charge of St. Patrick's Parish in Lowell, Massachusetts. POLISH PREMIER FACES DEFEAT

Threatened With Loss of Office if He Fails to Land League Seat

WARSAW, March 4.—An open threat was made in the Senate yesterday by the Opposition that, should Count Skrzynski, Polish Premier and Foreign Minister, return from Geneva without having obtained a seat in the League of Nations council for Poland, he will be turned out of office.

The Opposition, which unsuccessfully tried to prevent ratification of the Locarno treaty, consisted of Nationalists and members of the Labor parties, which are considered members of the Government coalition; members of the extreme Right, the Radical Left and the Farmers. The White Ruthenians and the Ukrainians abstained from voting. The Diet yesterday voted a resolution demanding a permanent seat in the council for Poland.
