DR. FOSTER REINSTATED. At a special meeting of the Fredericton School Board yesterday B. C. Foster, M. A., L.L.D., was reinstated. Dr. Foster tendered an apology, which was considered satisfactory by the Board.

Have you ever eaten "Sunshine" Macaroni?

Besides being a most appetizing food, "Sunshine" Macaroni is, in proportion to its bulk and weight, one of the most nutritious foods you can have.

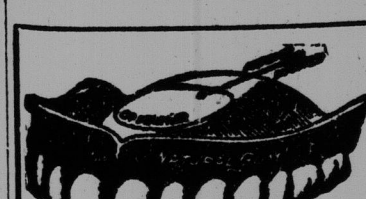

"Sunshine" Macaroni is made from semolina and distilled water. Semolina is the most vital and most nourishing element of No. 1 Hard Manitoba—the wheat containing the most gluten and nourishment of any known wheat.

You want to eat Macaroni which, after cooking, is tender, firm and shape retaining, ask your grocer for a package of "Sunshine" and follow directions.

The Inner Mysteries of Rheumatism

A remarkable book written by an authority who has spent more than twenty years of his life in study, research and experimentation in this distressing disease. One of the many new and startling facts which this distinguished writer clearly sets forth and proves is that Uric Acid never did and never can cause Rheumatism.—That Uric Acid is a natural and necessary part of our blood—and that without it we could not live! Every sufferer of Rheumatism, Neuritis, Sciatica, Lumbago and associated disorders should read it. A limited edition is now being distributed free by the author and fortunately anyone sending name and address to H. P. Clearwater, P. O. 238-N Water St., Hallowell, Maine, U. S. A., will receive a copy of this valuable book by return mail, postage paid and entirely free of charge. If not a sufferer yourself cut out this notice and help some afflicted friend by handing it to him.

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickly by applying Mentha-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a simple remedy. It is harmless and inexpensive. Ask any druggist for a small jar of Mentha-Sulphur and use it like cold cream.

FORD RUNS 57 MILES ON GALLON OF GASOLINE

A new automatic Vaporizer and De-carbonizer, which in actual test has increased the power and mileage of Fords from 28 to 50 per cent, and at the same time removed every particle of carbon from the cylinders is the proud achievement of John A. Stronky, 3978 South Main street, Pulwaka, South Dakota. A remarkable feature of this simple and inexpensive device is that its action is governed entirely by the motor. It is slipped between the carburetor and intake manifold and can be installed by anyone in five minutes without drilling or tapping. With it attached, Ford cars have made from 10 to 17 miles on one gallon of gasoline. Mr. Stronky wants to place a few of these devices on cars in this territory and has a very liberal offer to make to anyone who is able to handle the business which is sure to be created wherever this marvelous little device is demonstrated. If you want to try one entirely at his risk, send him your name and address today—adv.

THIS IS WHAT YOU GET. Half the tea with twice the pleasure. This is what you get when you use genuine Orange Pekoe tea so rich and strong that it goes almost as far again as ordinary tea. Try a package at the best prices 45c per 1-2 lb. Samples 10c.

FIRESIDE CLUB ANNUAL.

The Fireside Club of St. David's church held their twentieth annual meeting last evening after which a bountiful supper was served in the hall. Ronald Shaw presided.

After a hearty sing-song, led by Allan McGowan, the minister of the church, Rev. Hugh Miller, took the chair for the business session. A report covering the activities of a busy and successful year was read by the secretary, Murray Lawson, and officers for the coming year were elected as follows: President, Ronald Strain; vice-president, Allan N. McGowan; secretary-treasurer, Murray Lawson; assistant, Kenneth M. Sterling. The office of honorary president was left vacant for the year as a tribute to the late Alexander Watson, founder and former leader of the club, who had held the office for several years until his recent death. It was announced that John MacKinnon had succeeded, as leader of the club Bible class, Major J. T. McGowan, whose frequent absences from the city had made it impossible for him to continue.

A toast list completed the program. Those proposing and responding to toasts were: Gordon Willet, Rev. Hugh Miller, Douglas McGowan, Robert Reid, Bruce S. Robb, John MacKinnon, Royden Christopher and Mrs. George Shaw.

SEEKS ANNULMENT OF MARRIAGE TO SAILOR. Lillian May Hawes of Boston has filed a petition in the Suffolk superior court asking for the annulment of her marriage to Larry Huston Hubbard, a sailor in the U. S. navy, now commander of Boston, on the ground she was compelled to marry him under duress exercised over her by her mother. Her petition states that on July 12, 1922, she went through a form of marriage with Hubbard and that thereupon he

and she immediately separated and have never lived together as man and wife.

Kerr Higgins of St. John won second place for highest standing in third year dentistry at McGill University, it was announced yesterday.

SECRETARY, MURRAY LAWSON, and officers for the coming year were elected as follows: President, Ronald Strain; vice-president, Allan N. McGowan; secretary-treasurer, Murray Lawson; assistant, Kenneth M. Sterling. The office of honorary president was left vacant for the year as a tribute to the late Alexander Watson, founder and former leader of the club, who had held the office for several years until his recent death.
