BOWLING.

Clerical League.
The final game of the second series in the Clerical League was rolled last evening between teams representing the N. F. Telephone Company and R. P. & W. F. Starr, Limited. The telephone boys took all four points and thus clinched the championship of the series. The total pinfall was 1245 to 1175.

Wellington League.
Macaulay's took three points from St. George's A. C. in the Wellington League last night. The total pinfall was 1234 to 1198.

HOCKEY.

Sussex Defeats St. John.
Sussex defeated St. John 15 to 1 at Sussex last night in the final game of the western section of the league. Sussex is now champion of the western section, and have won all six of their games. The game was snappy and interesting and was not as one-sided as the score would indicate.

Moncton Defeats Amherst.
In an exhibition hockey game at Amherst, last night, Moncton defeated Amherst by the score of 2 to 1 after ten minutes of overtime.

CURLING.

St. Andrew's Wins.
The St. Andrew's curlers defeated Fredericton rink last evening by the score of 88 to 54. The visitors were defeated in every rink except that skipped by R. S. Vandine, who won from B. Stevens by the margin of four stones.

RING.

New York, Feb. 10.—Benny Leonard, world's lightweight boxing champion, retained his title tonight by receiving the judge's decision over Rocky Kansas, of Buffalo, at the end of their fifteen-round bout in Madison Square Garden. The champion worked slowly, and his blows appeared to have little effect during the early rounds. In these rounds Kansas appeared to have a little better of the exchanges. In the seventh round Leonard's blows were truer, and from then on he landed as he pleased and took few blows in return. In the eleventh round, following an interchange of body blows, Leonard caught the challenger on the point of the jaw with a left hook, and Kansas went down for a count of nine. Four rounds, the first four of the bout went to Kansas; the fifth and sixth went even, and the others, the champion's.

STEINMETZ GETS FIFTY MORE POINTS

Wins 440 Yards Event and Takes Second in Three-Quarter Mile at Diamond Trophy Meet — Gorman Took Third in the 440.

William Steinmetz of Chicago virtually clinched the title of amateur skating ace of America yesterday at Lake Placid, by winning the 440 yards dash and finishing second in the three-quarter mile race. He now has a total of 110 points. Charles Jewtraw comes second with fifty-five, Moore third with forty points, McWhirter fourth with twenty-five, and Gorman fifth with ten. The diamond trophy race yesterday was more spectacular than the day before, as they were very sharply contested. Gorman took third in the 440 yards event.

The summary follows:
440 yards, diamond trophy race, won by William Steinmetz, Chicago; Charles Jewtraw, Lake Placid, second; Charles Gorman, St. John, third. Time 38 1-5 seconds.

Three-quarter mile, diamond trophy race, won by Charles Jewtraw, Lake Placid; William Steinmetz, Chicago, second; Joe Moore, New York, third. Time 2 minutes 22 2-5 seconds.

Half-mile, silver cup final, won by Richard Donovan, St. Paul; William Murphy, New York, second; Valentine Blakes, Lake Placid, third. Time 1 minute 37 2-5 seconds.

One mile silver cup, final, won by Richard Donovan, St. Paul; Fred Burdenden, Chicago, second; Herman Perleberg, Cleveland, third. Time 2 minutes 35 seconds.

Half mile race for boys of sixteen, won by Lionel Norton, Lake Placid; Harold Fortune, Lake Placid, second; John Darragh, Lake Placid, third. Time 1 minute 33 4-5 seconds.

One-sixth mile race for boys of ten, won by Eugene Shea, Lake Placid; Philip Froeter, Lake Placid, second; George Booley, Saranac Lake, third. Time 35 seconds.

MONTEITH WINS ROTHESAY CUPS

The concluding skating races in a series held by the Rothsay Community Club were staged last evening at Rothsay before an interested number of spectators. The cup for the seniors was won by Albert Monteith, with A. O. Saunders second. The cup for boys under twenty was also won by Monteith with Irving Kirkpatrick second. H. Starr won the cup for boys under fifteen with Jack Starr second. The results last evening were:

Boys, fifteen and under, one mile—1st, H. Starr; 2nd, Jack Starr; 3rd, Irving Kirkpatrick.

Boys, twenty and under, 220 yards—1st, Albert Monteith; 2nd, Simon Kirkpatrick; 3rd, Alton Fiewelling.

Boys, twenty and under, 440 yards—1st, Albert Monteith; 2nd, H. Starr; 3rd, S. Kirkpatrick.

Boys, twenty and under, 880 yards—1st, Albert Monteith; 2nd, S. Kirkpatrick; 3rd, Alton Fiewelling.

Seniors, 440 yards—1st, Albert Monteith; 2nd, A. O. Saunders; 3rd, Simon Kirkpatrick.

Seniors, one mile—1st, Albert Monteith; 2nd, A. O. Saunders; 3rd, H. Starr.

An added attraction for the races was provided by Willie Logan and W. McKenzie of St. John, both of whom gave exhibitions over the 220 yard and over distances. A girls' race was won by Miss Bessie Logan and the old men's race was won by C. Piddington. George A. L. Fowler, F. S. Crosby and W. E. Fiewelling were judges.

RED CROSS SOCIETY HOLD MEETING

The making of junior Red Cross work an optional subject in the public schools is to be urged in a petition that will be presented to the provincial government at the coming session. The petition was read at a meeting of the New Brunswick division of the Red Cross Society held yesterday. The treasurer reported the balance on hand to be \$21,105.31. Miss Melkiejohn reported that she had secured one public health nurse, Miss Marian Smith. Two more are needed, and it was decided that all expenses in connection with them should be paid by the Society. Mrs. C. B. Allan reported for the hospital committee, Miss Jarvis for the bulletin committee, and Miss F. Allison for the sewing committee. C. B. Allan and F. Nell Brodie reported that plans were ready for the Lancaster hospital recreational hut, and that tenders would immediately be called for. Miss Jessie Lawson reported for the Junior Red Cross committee and read the petition relative to Red Cross work in the schools. Mrs. Frank S. White gave a report of the relief work, and Miss Melkiejohn gave the report of the public health nursing service. She said that the total number of visits made by the nurses last month was 1,027. Miss Ethel Jarvis told of the month's activities of the local Red Cross.

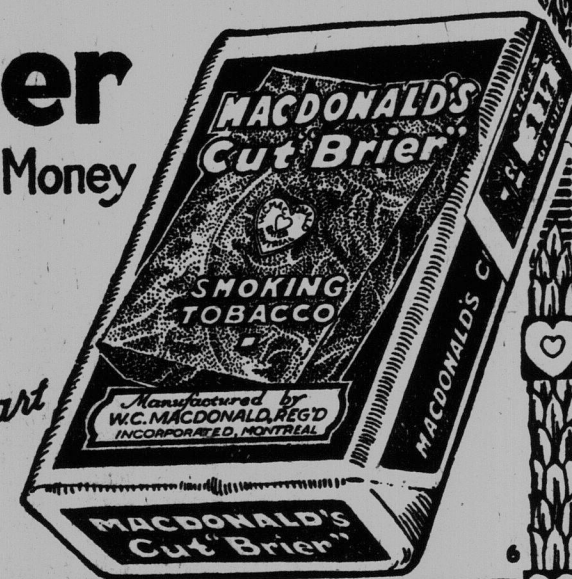

A little baby girl, about two weeks old and well dressed, was found last night about eight o'clock in the vestibule of the house occupied by Thomas McWhirter. The child was taken to police headquarters and then turned over to the Children's Aid for care.

Policyholders of the Mutual Life of Canada Enjoy a Record Year of Financial Prosperity

Striking Statements from Addresses

Mr. Hume Cronyn, President—

"To one outside of insurance circles, there can be nothing more astounding than the resiliency inherent in a properly-managed Life Company. The ability of such a concern to function successfully during a world-wide convulsion is, doubtless, a most striking tribute to its solidity, but the rapidity with which it returns to prosperity in normal times is an almost happier spectacle."

"From time to time we have evidence that the gospel of mutuality is leading the insurance world into the higher paths of an ideal system. The latest convert, The Provident Life and Trust, of Philadelphia, following the noble example of the Metropolitan, Prudential, Equitable and Home, has announced its intention of redeeming its policyholders' investments in full, and turning over to its policyholders one hundred and twenty millions of assets and over half a billion of business. How does this firm, established and well managed concern bear testimony to the strength of altruistic co-operation."

Mr. R. O. McCulloch, 1st Vice-President—

"This Company has always had complete faith in our Great West and nothing in the present situation shakes our confidence in its tremendous agricultural possibilities and its ultimate progress and development. We recognize that the West is going through a period of adversity, but it will survive this setback as its people are industrious, stout-hearted and confident. We know that our agricultural prosperity is necessary for the growth and development of Canada, and for our policyholders we can follow it, consistent with the principle of safety, is to continue to invest in first mortgages on improved Western farms."

Mr. C. M. Bowman, Chairman of the Executive—

"The bond purchases made during 1920 and 1921, many of them being of unusually long term and high interest yield and representing fully sixty per cent. of the Company's total bond holdings, will be an important factor in connection with the return from invested funds for many years, thus enabling participating policyholders of the Mutual Life to look forward with confidence to the future."

Mr. Charles Ruby, General Manager—

"No finer demonstration could be desired of the solid foundation upon which a well managed life insurance company rests, than this quick rebound from the financial strain occasioned by the late war and influenza epidemic. Nor could there be a better augury in regard to dividends to policyholders in the coming years. While there may always be discussion on the general topic of whether the participating or the nonparticipating system in life insurance is the better plan for an applicant, the experienced holders of participating policies in the Mutual Life of Canada, at any rate, will have no difficulty in satisfactorily settling the question so far as they are concerned."

"The most significant item in the annual reports of a life insurance Company doing business on the participating plan is not the amount of Surplus shown by the Balance Sheet but the Surplus Earnings for the year."

Unprecedented Profit Earnings

A REMARKABLE increase in the surplus earnings of the Mutual Life Assurance Company of Canada was shown by the Fifty-Second Annual Statement, as presented at the Annual Meeting of the policyholders held in the Head Office of the Company at Waterloo, Ontario, on Thursday, February 2nd.

The entire net profits, or Surplus Earnings of the year's operations will be, as usual, ultimately distributed to the policyholders of the Mutual in cash or applied to the reduction of their premiums or added to the face values of the policies, as per policyholders' individual option. Three factors have combined to bring about this red-letter year in the annals of the Company.

1. Decrease in Expense Ratio

The percentage of the Total Income required for operating expenses was reduced from 20.45% in 1920 to 18.60% in 1921.

2. Increase in Interest Earnings

The average rate of interest earned by the investments of the Company shows an increase from 6.41% in 1920 to 6.60% in 1921.

3. Highly Favorable Mortality

The mortality rate of 1921 was the lightest experienced by the Company in recent years, being relatively 20% less than in 1920.

Surplus Earnings of \$2,243,038, being \$46.47 per \$1,000 of Total Assets

The combined effect of these three different factors in the Company's experience for 1921 was to increase the surplus earnings

from \$38.67 per \$1,000 of assets to \$46.47 per \$1,000
