### DIAMONDS IN TEETH

**BADGE OF MATRIMONY**  
San Francisco, Nov. 20.—Twin solitaire diamonds flash from the teeth of Mrs. Mabel King Hickman, of San Francisco. One is a memorial to a husband dead 14 years, the other is in honor of her present husband.

Diamond studded teeth are, in Mrs. Hickman's code, as acceptable a badge of matrimony as the customary plain gold ring.

The solitaire in one of her teeth was taken from Mrs. Hickman's engagement ring. Her first husband, William King, requested that she have the bethrothal jewel set where it never could be lost.

Her present husband, Augustin Hickman, supplied the second diamond.
