The question that many mothers are asking themselves during Turner's SELLING AT COST Sale covering winter overcoats for boys.

"Bill has a coat that will serve for this year—but he will need a new one next year and I want to save the money by buying now at Turner's."

Wise suggestion isn't it? for those whose boy is going to grow this year.

TROUBLE OVER JAP

SHOOTING CASE

Washington, Jan. 14.—Action taken by the Japanese authorities in connection with the shooting of Lieut. W. H. Langdon, chief engineer of the U. S. cruiser Albany, at Vladivostok on Jan. 8, by a Japanese sentry, appears to have averted danger of a serious international "incident."

Admiral Gleaves, commander of the U. S. Asiatic squadron, has reported that the Japanese commander at Vladivostok, has given orders that hereafter sentries must not challenge members of the U. S. forces. The sentry who fired the fatal shot, a soldier who is described as "very ignorant" will be court-martialed. High officials of the Japanese forces have expressed their regret over the occurrence. Admiral Gleaves has abandoned intention of conducting a personal investigation.

of Member of Crew of

Court.

Herbert Humphreys of England, of the S. S. Canadian Settler is in jail and George Grayley and Policeman Thomas are suffering from wounds alleged to have been caused by Humphreys. It is said that Humphreys with two other men went to a beer shop in Brunswick street, conducted by Mrs. Gladys Woodworth and when told to go out caught hold of the proprietress and tripped her. Grayley, who is a Canadian, was in the shop at the time, and although the odds were three to one he succeeded in putting the three into the street. It is said that when his back was turned Humphreys struck him over the head with a bottle and knocked him unconscious. Sergeant Scott and Policeman Orr arrived and took Humphreys to the police station where it is said he struck Policeman Thomas, knocking his head against the wall causing an injury which made it necessary for him to be taken home in the ambulance. Humphreys pleaded not guilty to assault charges but admitted he was drunk.

Mrs. Minnie Cook, was charged with deserting her child and pleaded not guilty. Mrs. Ida McBeath of Main street and Gladys Riley gave evidence. The woman was remanded.

ST. JOHN MAN WAS OFFERED POST OF SULTAN

People of Philippine Island
Wanted A. E. Anderson as
Chief of State.

A. E. Anderson, of Montreal, formerly of St. John, an architect, for some time assistant to the chief of staff of the bureau of agriculture in Manila became very friendly with the people of Mindanao an island in the Philippines. The tribe asked him to become their sultan, offered him a harem, and gave him a town for his personal use.

"The offer was not one to be lightly cast aside," declared Mr. Anderson. "The Lanao Moros are really a very superior sort of people, their future is full of promise. They have noble and generous impulses. I considered it an exceedingly great honor to be asked to become their sultan and I was inclined to consider the proposition favorably, because I believed it would be possible for me as the ruler to introduce methods of civilization and be instrumental in bringing about progress."

"I finally refused the offer for two main reasons. One was, the fact that if I accepted the position it would be no temporary appointment. I should have to stay with them for good. There would be no chance of my resigning. Another reason was that the Lanao Moros are Mohammedans. I should have been compelled to abide by their customs which are to a great extent based on the Koran."

Mr. Anderson was awarded a gold medal for his architecture of the Philippine Section at the world's fair, St. Louis, and also received a letter of appreciation of his work from former President Taft, when the latter was secretary of war for the United States.

Mr. Anderson is a brother of W. E. Anderson and H. J. Anderson of this city and was formerly an architect here having studied under the supervision of Mr. McKean, who, with assistance of Mr. Anderson, built the present union station in Mill street. Mr. Anderson was an architect in Boston for several years, but moved to Montreal a short time ago and he is now located there. He has many friends in this city who will be interested to know that he was so popular as to be offered the highest position in the Philippines.
