J.G. HEARTY
BABY BOY

Mrs. Beck's Fondlest Hopes
 Realized—Health, Happiness and Baby.

Upper Lahave, N. S., Can.—"I wish to thank you for the benefit I received by taking Lydia E. Pinkham's Vegetable Compound for female troubles from which I was a great sufferer, so that I was completely run down in health. Other medicine did not help me, but Lydia E. Pinkham's Vegetable Compound made me well and strong. I now have a big, hearty baby boy, and praise your medicine for the wonderful lot of good it has done me."—Mrs. ISRAEL BECK, JR., Upper Lahave, Lunenburg Co., N. S., Canada.

The darkest days of husband and wife are when they come to look forward to a childless and lonely old age. Many a wife has found herself incapable of motherhood owing to some derangement of the feminine system, often curable by the proper remedies. In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

FABRICATIONS BY THE FOES OF BRITAIN

Washington, Sept. 26.—The British embassy has issued this statement: "Certain persons have been circulating in the press reports of speeches supposed to have been delivered by British statesmen such as for instance as that attributed to Mr. Burns, which is a pure fabrication. 'Recently a statement has been made as to a speech of Sir Edward Grey, in which he is quoted as saying that 'There shall be no peace until Germany is humbled to the earth, her territory divided between Russia and France, and her commerce definitely delivered to England.' Sir Edward Grey never delivered such a speech, and the statement is obviously circulated with a view to mislead public opinion."

DOUBLE SUICIDE

Chicago, Sept. 26.—Clashed in each other's arms, a bride and groom, a young music teacher, and his fiancée, Miss Katherine Seymour, were found asphyxiated in a closet of Rech's room here. They left letters asking that they be buried together. Rech, in his letter, said Miss Seymour's health was so poor that her life would be merely a living death. Rech was prosperous and healthy, but friends of the young woman said that her illness seemed chronic and that at times both were despondent about it. They felt that marriage with this handicap offered little happiness and they did not care to face the future separately.

NAVAL HISTORY TO DATE

London, Sept. 26.—According to confirmed and unconfirmed reports forty-one warships have been put out of action by mines, destroyers, or other naval tramps, or sold to a neutral power, beginning with the German-Russian engagement on August 8, when it was reported that two Russian cruisers were lost. This list includes twenty German, twelve English, five Austrian, two Russian and two Japanese vessels. The unconfirmed chronological list runs as follows:

- August 8—German-Russian engagement off Aland Islands—Two Russian ships lost.
- August 8—German mine-layer Koenig Luise sunk by British torpedo boat Lance in North Sea.
- August 6—German torpedo boat sunk off Gedser Light by boiler explosion.
- August 6—British cruiser Amphion sunk in North Sea by mine.
- August 9—German submarine sunk by British cruisers in North Sea.
- August 12—German cruisers Goeben and Breslau sold to Turkey to escape capture.
- August 16—Austrian battleship Zrinyi and three other Austrian warships sunk in Adriatic by French fleet.
- August 16—Unnamed German dreadnought reported ashore and out of action at Trondheim, Norway.
- August 27—German cruiser Magdeburg ashore in Gulf of Finland. Attacked by Russian warships and blown up.
- August 27—German converted commerce destroyer Kaiser Wilhelm der Grosse sunk by British cruiser High Flyer off the west coast of Africa.
- August 28—Three German cruisers and two destroyers sunk in night engagement off Heligoland.
- September 14—Japan lost two torpedo boats outside Kiao-Chow.
- The loss of the Magdeburg on August 27 and the loss of three cruisers in the Heligoland fight on August 28 reduced the number of German light cruisers in home waters from 28 to 24. In addition, her destroyer class has been reduced from 77 to 75.
- The wearing-down tactics in home waters have now resulted, to Germany's advantage, in four British cruisers sunk; to Germany's disadvantage, three cruisers, two mine-destroyers, and one mine-layer, besides damages.
- The German cruisers sunk on August 28 are reported to have been the Mainz, the Koln and the Augsburg, all of the Kelburg class, each armed with twelve 4.1 inch guns, four 6-pounders, four magazine guns, two submerged 18-inch torpedoes.
- The loss that the British light-cruiser

NEURALGIA OF THE HEART

This Letter Tells of Wonderful Change Effected by Dr. Chase's Nerve Food.

Mr. James G. Clark, Fosterville, York County, N. B., writes: "I have been a great sufferer from what the doctors said was neuralgia of the heart. The pain started in the back of the neck and worked down into the region of the heart. Though I had taken a lot of medicine of one kind and another, I could not get anything to help me until I used Dr. Chase's Nerve Food. "When I began this treatment I could not rest at night, except by sitting up right, on account of the dreadful pains about the heart and the quick, loud beating. The change which Dr. Chase's Nerve Food has made in my condition is wonderful. It has entirely overcome these symptoms, and is making me strong and well. If this statement will help to relieve the suffering of others, you are at liberty to use it." Dr. Chase's Nerve Food is a true tonic and the greatest nerve restoratives. 50 cents a box, 6 for \$2.50; all dealers, Edmondson, Bates & Co., Limited, Toronto.

Letter From Commissioner Lamb of Salvation Army on Industrial and Social Outlook

Toronto, Sept. 18th, 1914. To the Editor of the Times: Commissioner Lamb, whose letter is enclosed, is the International Secretary of the Salvation Army, with headquarters in London, England, and who has had charge of the Army's Immigration and Colonization work for many years. The Commissioner has recently visited Australia, New Zealand and has, within the last few weeks, visited most of the Canadian cities of importance from Halifax to Victoria, and has thus had an opportunity of studying social and industrial conditions, not only in Great Britain, but in Canada and elsewhere, and is regarded as an authority on social and industrial questions.

BLISTERS ON FEET COULD NOT SLEEP

Skin Much Inflamed, Itched and Smarted, Could Not Wear Shoes. Cuticura Soap and Ointment Entirely Healed.

Victoria St., Thetford Mines West, Que. "One day I was repairing a valve on top of a boiler when a steam pipe close to my feet burst scalding both. Blisters rose on my feet and I could not wear my shoes. The skin was very much inflamed and it gave me such pain that I could not sleep at night. I was treated for ten days with no improvement so tried ointments but none did any good. One day I came across the Cuticura advertisement and decided to try a sample. The Cuticura Soap and Ointment gave me such relief and stopped the itching and smarting so quickly that I bought a box of Cuticura Soap and some more Cuticura Soap. Now the wounds are entirely healed and the scars have quite disappeared." (Signed) William Neke, Jan. 31, 1914.

(3)—That leaders should come forward prepared to organize the thousands of people throughout Canada who do not feel called upon to fight, but who, I believe, are ready and willing to organize, to sacrifice, to work, and to endure for the safety of the empire.

(4)—I venture further to suggest that the present state of affairs calls not for charity, but for cool, hard-headed (warm hearted if you like) business treatment. When that is done, there will probably still be left enough "by-products" and "misfits" to keep the charitable organizations busy.

I pray God to guide you and your colleagues in all your deliberations and that we have a speedy and permanent peace. Yours sincerely, DAVID C. LAMB, Commissioner. (International Secretary.)

BOUND TO BE IN THE FIGHT

(From the Daily Sketch.) When war was declared a certain ex-N. C. O. of the 25th County of London

granted.

Cyclists was somewhere in the 'middle of Canada. As soon as he possibly could he threw up his job and crossed to England. Meanwhile a cable was sent to him offering him a commission in his old regiment. Of course he miswired it, and when he reached London the officers' mess was completed. "Doesn't matter," he said. "I'll rejoin in the ranks so long as I'm with my old regiment." Which he did, and they made him a color-sergeant.

Wives Sometimes Object To Life Assurance But—Widows Never Do

Many a man has failed to insure because of his wife's noble but misguided scruples. She didn't want even to think of her husband being taken from her. The thought of money forcing itself into such a tragedy filled her with horror. Such a woman overlooks the awful plight of a family left destitute. It's a husband's duty to protect his family from want and suffering after his death. A wife who opposes her husband in performing this duty is unfair to him, to herself and to her little ones. A few dollars each year invested in an Imperial Income Policy will secure the payment of a regular, monthly income to a man's family after he's gone. We have an interesting booklet which tells all about it, and will send a free copy to any man or woman who asks for it.

THIS IS TO YOU!

Young or Old, Whose Strength is Wasted, Who Feel Old and Rusty, with Pains and Aches, Who, from Any Cause, have lost the buoyant spirits, the courage and confidence which belongs to perfect health. To you I offer new life, fresh courage, and freedom from the effects of past neglect.

Show me the persons who would not be better than they are. It matters not how the rocks and shoals of life have dulled the enthusiasm of youth, and left the nerves less vigorous, the eyes less bright, the step less springy, the mind less forceful and the general vitality less powerful than they ought to be at your age, you want to be strong.

Hard work wears, dissipation and worry, disappointment and the other cares of life drain away the vim and snap of perfect health. Electricity applied my way restores them. It makes you feel young; the spice of life.

DR. McLAUGHLIN'S ELECTRIC BELT

Has made thousands of homes happy. It is as good for women as for men. Man and wife can use the same Belt. The regulator makes it strong or mild to suit the wearer. It is the only Electric Belt in the world that can be regulated while on the body. You feel the power, but it does not burn and blister, as do the old style bare metal electrode belts. If you are weak or in pain it will cure you. Will you try?

Dr. McLaughlin: Dear Sir—I have worn your Belt for four weeks, and am well pleased with it. It has done me a great deal of good. My back don't bother me so much, and I have no losses this last few nights. Wishing you success with your Belt, I remain, yours truly, JAMES FOWLER.

Dr. McLaughlin: Dear Sir—I have been wearing your Belt for 80 days, and I feel that it has done me a lot of good. The losses have stopped almost altogether and my nerves are much stronger than they were. Yours very sincerely, GORDON DUNN.

Dr. McLaughlin: Dear Sir—I purchased one of your Belts some time ago and it has done me a great deal of good. I did not think anything would help me as it has done. I have told nearly every one that I know of your wonderful Belt, and a lot of them have got one and are not disappointed. Yours truly, MRS. T. WHITE.

MR. JEROME SCANLON, ANCESTER, ONT., writes: "I have been wearing your Belt a month, and am very much improved in health. I have gained over 7 lbs. in weight. Those pains have never returned since wearing the Belt. I have developed quite a bit in muscle and strength. I do not desire to urinate so often, and I have had only one headache since. My bowels keep regular. Wishing you every success in your grand undertaking."
