## A Satisfactory Purchase

What a satisfaction there is in buying diamonds of a reputable concern that deals only in quality merchandise and whose guarantee and advice may be depended upon absolutely.

Diamonds that enhance in value as the years roll by must be of the highest grade, perfectly cut—and rightly bought. Stones of ordinary quality are not rare and will not retain any great value at any time.

Invest in diamonds now. Let us show you some gems that will prove a wise purchase, and demonstrate new ways of mounting them that will materially enhance their attractiveness.

WALL AUDIENCE FOR  
ALDERMAN HEAPS  
AND LINDSAY CRAWFORD  
Montreal, May 29—Alderman Heaps of Winnipeg and Lindsay Crawford of Toronto spoke here last night before a small audience, on industrial unrest and a Irish problem.

Mr. Heaps said "the sympathetic strike is not of any advantage to the workers if conducted over any length of time, as in Winnipeg." Mr. Crawford did not believe that the struggle in Ireland was on the economic field but rather that it lay in the political field.
