At its close the cheers extended far out into the

Report of the Committee on the Lum-

ber Seizures. COMMITTEE ROOM,

COMMITTEE ROOM,
HOUSE OF ASSEMBLY,
31st March, 1876.
The report of your Committee of the 10th
of March, instant, relating to the seizure of
lumber in the Counties of Gloucester and
Restigouche in 1873, having been are the Counties of Gloucester and the in 1873, having been referred that they "should submit any explanations which the Surveyor General may have to give in respect to the matter which were referred to them," your Committee therefore proceeded to make a further investigation into the matters referred to them and now beg to submit this their second report.

Your Committee have held eighteen sessions and have had before them and exasions and have had before them and examined under oath, Hon. Surveyor General, Hon. President of Executive Council; Hon. Provincial Secretary, Deputy Surveyor General Andrew Inches, E. Byron Winslow (Ferguson, Rankin and Co's Agent in Fredericton), John Ferguson, jr., and Deputy Robert Ellis, Seizing Officer, Gloucester. It will be observed the evidence has been most exhaustive in its character.

After a careful perusal of the evidence and consideration of all the facts elicited. your Committee find:

ommittee find:
That information having been laid before e Department that large trespasses were ing committed on Crown Lands in the promoters are committed to the committee of counties of Gioueester and Restigouche, intructions were issued on the 6th of March, S73, to make an inspection, and to seize all umber cut without license in said Counties. That, acting on said instructions, Deputy 1 Dougall made a seizure on the Nepisiguit trates.

M'Dougall made a seizure on the Nepisiguit krates. River, Gloucester County, of 1770 M. s. feet motives, SPECIAL DESPATCHES
TO THE ADVOCATE.

OTTAWA, April 11.

Mr. Mitchell yesterday in moving an amendment to motion of Mr. M'Kenzie m going into committee of Supply made a proposition to Gov't with a view to avoid litigation as between the Gov't and the fishermen of his county, that a case should be stated between the Gov't and the fishermen of his county, that a case should be stated between the Gov't and the fishermen of some cases were made by Local Deputy community a class of pecalled upon to the actions. legislation of munity; and people because the conviction of the actions. Legislation of munity; and people because the conviction of the actions of people because the conviction of a portion of 1000 logs seized on Nigadoo River, the same when a should not tall the province of the same in the Province of the same of the same in the Province of the same in the same in the province of the same in the same i

quence of his being absent from the Senate two years in succession. The question was debated with closed doors, and committee reported to the Senate, the report setting forth that the case be adopted. Resolution was then moved by the leader of the Gov't dealering seat yearst and recommending the second of the service of the Gov't were afterwards returned to them on payment of \$300. This amount, the Surveyor said sur was then moved by the leader of the Gov't declaring seat vacant, and recommending the Governor in Council to make another appointment. Senator Kenny, of Halifax, was called to the Senate in May, 1867.

Resolution of regret was moved by Senator Campbell, and carried unanimously. As this is the first case of the kind since Confederation, proceedings establish a precedent.

Parliamentary business will be wanted to them on payment of \$300. This amount, the Surveyor General states, was taken with the \$700 before mentioned in connection with the Nepisiguit River seizures, as final settlement of \$4158, being original amount of Ferguson, Rankin & Co.'s seizures. Mr. Ferguson, however, states that he was under the impression that the first payment of \$700 was intended to cover all the seizures, and that the \$300 was especially for the expenses insmount.
