sands, among them many students and residents of the city. The coffin was completely buried in flowers and the liance fair grounds the people flocked out part of those desirous of admission. Only arian delegates and leading representatives of foreign nations were able to obtain admittance. At the conclusion of the ceremonies the body was conveyed to the station and placed in a special train, which will leave this evening for

Behring Sea Legislation London, March 28 .- It is stated that at Bayard's interview yesterday with the

AFFAIRS IN HAWAII.

The Monarchy According to Thurston Marshal Brown. is no More. if he had anything to say regarding the published remarks of Theodore H. Davies, in which he made declarations to the effect that the provisional government are adventurers and that they are maintaining a "reign of terror" in Honolulu; that the community is at the mercy of that the community is at the mercy of spies and broken down Germans and Portuguese, in which he describes its "utter weakness" and denies that it is about to establish a permanent republic. Mr. Thurston replied is don't know that there is much the needs to be said. After the report of the William to be said. After that the manner without the meaning without the property and public spirits and that the

royalists, of whom Mr. Device is the lead mand at Columbus on Thursday. er, are a bad lot, it does not seem necessary to make a reply to every man who can get himself interviewed. This person is what may be called a "profession-

sent it around broadcast. who are gradually realizing the terrible fact that the monarchy and its perquisites have gone forever. Mr. Davies prophesies that no republican government will be formed. The provisional government has a most exasperating habit, however, of failing to futfil prophesies. It has kept the military forces of the govern ment in a chronic state of mutiny and the leaders in hopeless, disagreement, while the government is constantly on the verge of disruption, yet, in all this gloom and woe, the government has gone quietly about its business, paid its debts, accumulated a large treasury surplus, larger than there has been for years, has created a well organized, well drilled and loyal body of regular militia, and reserves which was never under better discipline and more loyal than to-day, and is now occeeding with deliberation and dignity to establish a republic by calling a constitutional convention, in the selection of

pose to do anything of the kind, how-That question has been settled by and we do not propose to re-oper discussion, any more than the Unit-

republic and not backward to a dead mo archy, and they will overcome all a stacles and achieve their object. Davies and his fellow royalists has of the car of progress. If they do not get out of the way the car will run over them, and that is all."

THE TRAKE ARMY. The "Industrials" Indignant at Be

cent Press Criticique. was reached by the Commonwest army yesterday afternoon, after a march of 14 miles over very rough and muddy roads. Cold, cutting winds and occasional snow Turin, March 28.—The remains of Louis Kossuth were removed last evening to the evangelical church where the funeral services took place this morning.

The streets

completely buried in flowers and the church was insufficient to hold the fiftieth part of those desirous of admission. Only the chief representatives of the Hung-thief representatives of the Hung-thief representatives of the chief representatives of the chief representatives of the Hung-thief representatives of the communes gathered wood for fires. By the time supper rations were distributed things were comfortable. Alliance is the most enthusiastic town yet reached. Many sympathizers with the movement live here and supplies to the sympathizers with the movement live here and supplies to the sympathic sympath the amount of half a carload came is.

A load of hay for the stock was included. The street railways ran excursion trains to the scene every seven minutes. As evening came on recruits began to come quitted. evening came on recruits began to the in, and Adjutant Smith placed 75 new men on the rolls, making the column 184 strong. The new men are somewhat words of press report on the night of the hudger speech. The highest previous record was 190,000 words.

Toronto (March 29.—Toseph Murphy, Earl of Kimberley the latter assured Mr. Bayard that the bill giving legal operation to the provisions of the court of arbitration's findings in the Behring the opera house. Commander Cozzy spoke sea question would be presented to par-to an immense gathering, being followed liament to-morrow and its passage experiments by Chief Marshal Carl, Browns Another meeting was held later in the evening. The Independent church, a body of Free Thinkers, offered their building for

A very hostile disposition was notice-Washington, March 27.—Mr. Thurston, the Hawaiian minister, was asked to-day if he had anything to say regarding the men claim that they have been merciless. ly abused and want revenge. Mayor Escel has appointed 12 police officers for the night, but anticipated no trouble. The fear of the state officials is that the the night, but anticipated the fear of the state officials is that the fear of the state officials is that the army may be set upon by the disorderly elements in some of the towns to be passed through. For that reason a letter has been written to captains of all the militing companies along the route. No order to keep under arms is given; but the letter advises the officers to have the men ready for muster. At 5 o'clock Commander Coxey left for Massion, his home thence to go by late that to find the following the new tariff proposals and the government's formula at the first proposals and the government's formula at the first proposals and the government's formula at the first proposals and the government's formula policy generally. He pointed out the first proposals and the government's formula policy generally.

al mischief maker." He has for years the senate to-day, on which, however, the head and front of an ultrason- action was deferred. They embraced ing anti-American, British faction, and although he has become a rich tand through the bounty of the United States by means of the reciprocity 1721 V. 12 is by means of the reciprocity 1711 y, 1.5 is always ready to go out of his way oppose and injure the advancement of Mr. Peffer, instructing the finance com-American interests in Hawaji. Only a mittee to report a bill repealing all laws couple of months prior to the r-volution that authorize the issue of bonds or other Honolulu he wrote a series of letters interest bearing obligations of the govto the papers opposing the establishment eriment. The resolution which was of a United States naval station at Pearl fered by Mr. Sherman last week, as to Harbor under any conditions, for the reason, among others, that it would become of the usual weight and fineness, and a nest of criminals, burglars, defaulters as to whether there is any existing law and jail birds, who would sail out and to permit such counterfeiting, was taken vesterday. Mr. Foster also stated that prey upon the surrounding country, ile up and agreed to after a short discussion the government had received no official was so proud of this correspondence that he had it printed in pamphlet form and Dolph to abrogate the Clayton-Bulwer treaty read as follows: Resolved by the Canadian cattle. ... sent it around broadcast.

He has been spending three or four months in Hawaii, making the most frantic efforts to stir up strife and overthrow the provisional government. He has utterly failed and is now renewing his efforts here. The law providing for the deportation of dangerous persons and suspicious characters, who are statement in the dark of the picious characters, who are attempting to coast or any part of Central America, erthrow the government, was provided commonly known as the Clayton-Bulwer for just such men as Davies and a number treaty, is no longer in force. "The in-of his fellow countrymen, who have re-troduction of this resolution," said Mr. cently been coming over from Canada to | Dolph, "does not indicate any opposition restore the monarchy. It became so warm on my part to the Nicaraguan canal. On for him in Honolulu that he thought it the contrary, I am in favor of it. When have there been so many prospective ings of best to move on, and naturally he does ever we have made an attempt to do matrimonial alliances in high society. At tration, not like the law or the government. As not like the law or the government. As this treaty rises like a bugbear to contour to the reign of terror, it exists only this treaty rises like a bugbear to contour to the royalists of the Davies stripe, among the royalists of the Davies stripe, and are gradually realizing the terribic who are gradually realizing the terribic and never has been. Great Britain has wedlock at the church of St. John. This we ought by legislation to set it aside and abrogate it entirely. Then we can go ahead with the project untrammelled by any conventions of this sort."

This eventing Miss Josephine Brower, laughter of Mrs. Zebulon Homan Brower, and Maxey Lyman Ransom, son of ex-Surrogate Ransom, will be wedded at Trinity change in the connections of this sort."

Vienna. March 28. The socialist assembly which has been in assion in this city closed its sittings to-day. A large expected at the meeting this afternoon number of socialists, prominent throughout Europe, were present, including Herr Bebel, the well known socialist member of the German reichstag. Herr Bebel of the German reichstag. Here Bebel made a powerful speech in favor of universal suffrage in support of a resolution condemning the Austrian government scheme of electoral reform. The resolution insists apon universal suffrage, and advecates a general strike as a means of obtaining it if it shall seem which all voters, foreign and native, are to be allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition was offered proposing the immediate organization of a general legislation of all allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition was offered proposing the condition being a renunciation of all allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition being a renunciation of all allowed an equal voice, the one condition was offered proposing the condition was offered proposing that the immediate organization of a general condition was offered proposing that the condition was offered proposing the condition was offered proposing that the condition was allowed an equal voice, the one condition was offered proposing that the condition was allowed an equal voice, the one condition was offered proposing that the condition was allowed an equal voice, the one condition was offered proposing the condition was offered proposing that the condition was offered proposing the condition was offered proposing the condition was offered support the republic.

Mr. Davies, and those who think that we should again put our necks under the heel of Liliuokalani, claim that the choice as between the republic and a monarchy should be put to a vote; we do not not posse to do anything.
