VICTORIA TIMES. FRIDAY, JANUARY 4, 1907.

4 -

vince in a chaotic state, that it restored an equilibrium between revenue and expenditure, regained the confidence of capital and was instrumental in the rehabilitation of the credit of British Columbia. Now what did the govern-ment actually do to improve the credit of the province of British Columbia? The Finance Minister was forced to go to the money market to secure a loan. There was no real necessity to borrow such a large sum as a million dollars in the then condition of the money market. But he would be satisfied in the then condition of the money market. But he would be satisfied

market. But he would be satisfied we can declare our independence of the reptitiously passed, they were en- is president, is being impartially adwith nothing less, and he was forced Ottawa "machine," an institution abled to stake out about three thou- ministered, then the law ought to be which is so inimical to the true inter-position pointed out that a smaller sum would have sufficed until the market recovered its tone, and that the smaller sum could have been secured for a much shorter term than ten years. However, the Finance Minister sald he interest on this sum and the ordinary liabilities of the province taxation to pay five per cent. for it. The opinterest on this sum and the ordinary liabilities of the province taxation dissolving the Legislature on the a spirit of pure benevolence. But we strength of it. That assumption has have yet to learn what the people of of men who by the very nature of their must be increased, and it was just about doubled. Shortly after Hon. Mr. spired. The Premier went to Ottawa land, received out of the deal. The ed in municipal affairs have been de-

must be increased, and it was just about doubled. Shortly after Hon. Mir. Tatiow effected his loan or one million at five per cent. interest two of the municipalities of British Columbia went on the market and borrowed money at the rate of four per cent. That proved that the opposition con-tention that a short loan should have been negotiated was a reasonable one. A large portion of the Tatlow million dollar loan was not required as a re-sult of the Improvement in business

sult of the improvement in business province. The conference of premiers, partners had dared to do so. And if a A correspondent of the Times comsult of the improvement in business consequent upon the rapid increase of the population of the Northwest and the increased demand for the staple products of the province. The unused portion of the money is lying in the bank, and if it is drawing any interest than three per cent. The net result is that Finance Minister Tatlow has bor-rowed money from the banks at five per cent. interest and has lent it backs to them at three per cent. or less. That is one of the sinewed business arrangements of this intensely practiconsequent upon the rapid increase of on the motion of a Conservative, de- quarter of the property is going to be plains because so much space in the to them at three per cent of tests That is one of the shrewd business arrangements of this intensely practi-cal business government. It is an ex-ample of the methods which have been province. But we do not believe it will be considered a reason why a set of blundering incompetents should be were fixed by the conference on the were fixed by the conference on the were fixed by the conference on the the station of the general readjustment to thousand acres of land the property of the people of British Clumbia. For some reason the Premier does not seem to care to explain that triffing discrep-ancy between the manner in which the business and the McBride government the station of the general readjustment business and the McBride government the "state of feverish unrest and ex-sitement into which the whole com-

Another reason advanced for the retention of power by the McBride gov- tario, a Conservative, how can he have disclosed a state of affairs quite as distention of power by the McBride gov-ernment is that its administration of affairs has stimulated business its meas tish Columbia, resulting in the marked industrial activity of the present day. As has already been pointed out, and ecourse of events in the Dominion dovernment the fact poliside out, the improvement business in British Columbia is due the acpital and measured that his selec-the scatted and measured business in British Columbia is due solely to the rapid settlement of the Nortikwest, something it is escarcely likely the friends of the CBride gov.

CLAIMS V. FACTS. Let us consider as briefly as possible the reasons Premier fredride and his notable converts in Victoria (not in-cluding Mr. B. J. Perry and Rev. Dr. Elliott S. Rowe) have given why the Socialist-Conservative administration should be retained in power: The first is that the government found the financial affairs of the provinces of this province by vince in a chaotic state, that it restored an contilibrium between revenue and

No. 5.

were fixed by the conference on the initiative of Premier Whitney of On-tario, a Conservative, how can he have the effrontery to say that the failure to secure a satisfactory readjustment to secure a satisfactory readjustment
