Vegetine

Worth its Weight in Gold.

H. R. STEVENS, Eq., Boston, Mass.
Sir:—Having been persuaded by a friend of mine
to try Ybearing for Kidney Disease, with which I
had been troubled for four years, I consented and
have given it a fair trial, and am happy to say that
I am relieved to such an extent that I can attend
to my work with ease and comfort, which I was
experied of for over three years. The best medical
hen of Toronto have given my case up as hoveless. certainly advise to rry venetice, or you (as many can testify) that it is undoubtes best medicine on record for the Kidney s. I am able to work at my trade as gitler ara a living for my wife, two children and f, through Vegerins, which I consider is its weight in gold. Hoping that those who give Vegering a trial may receive the same at that I have, I remain. s weigns.

make a demonstration in his honor.

Our citizens, who are quite well aware

The story about the sickness reminds manner the returns made on behalf of this Journal, and published a fortnight since, are entitled to the confidence of the timber trade. They were made by men in search of plain truth, and without pre-conce.ved opinions on the sub-ject they had to investigate. They took their impressions as recorded, en-tirely from circumstances that came under their own observation, and doubtless their statements will have considerretired his men to a kind of cover and hurriedly addressed them. He said the end of the season. But in a mechanism so vast as that which constitutes the trading power of the British Empire, no prevailing aspect of trade is the honor of the North to uphold. relied on as determining anything that "Receive them well," said he, "and can be accepted as ruling for a length of "we will make it hot for them, fight "Receive them well," said he, "and time, and many who do not attempt to gainsay that the trade is in an unfavour-"them as long as you can and then "run like blazes, and as I'm a little lame able condition to-day, nevertheless do not hesitate to insist that all these dis-couraging statistics which we have un-ravelled will have to give way very speedily to an active and important demand which the expected supply from abroad is not likely to exceed and "I'll just start now." It seems to us that, in this "sick" business, Mr. Tweedie took a rather unfair start of his brother invalids.

that, therefore, a good sound trade may be pretty safely relied on up to the cou-cluding transactions of the timber trade of the present year.

Nothing would be more agreeable to us, in a commercial sens, than to accept this view of affairs without reservation, lost ground with the people who witbut we confess we can at present discern but very slender grounds for such a belief. At the sales in Liverpool, reported in our last number, though pitch pine timber maintained its ground pretty well at an average of about 70s. per load for hew and about 82s. Ed. per load for hewn and about 62s. 6d. for sawn, spruce deals could not be sold at a profit. A cargo from Halifax did not average above £6 10s., another from Musquash £6 7s. 6d., one from St. John about the same, while from Bathby some mysterious hints concerning urst (9 ft. lengths only) the average price was about £5 10s. per standard. Mr. Jas. T. Griffin having once been in price was about £5 10s. per standard. Last year at this time, though the prices had gone back from the opening quotations, they were a pound a stand-ard better than they are now at Liverprejudices may be played upon. Now, The Journal proceeds to deal with They do not look upon a half dozen of the people. the condition of the trade -the supplies, their nationality, who undertake to etc., -in the different lumber producing centres of both Europe and America as representing them, nor are they Putting these few facts together, nose, from only a superficial glance around, and without any attempt to

search them out for a purpose, and the general laugh. search them out for a purpose, and looking at them in connection with the reports we recently published, as well as those we continue to receive, we cannot but think that he who is counting to be ing offered as political game by the same asylum than to give an opinion being offered as political game by the same asylum than to give an opinion public affairs. They have anynot but think that he who is counting offered as political game by the on a rise of prices being established at home or abroad this year, must have great faith in the recovery of trade and preferences we may, however, at some great faith in the recovery of trade, and a facility for looking at the bright side well understand that even he is not the most popular man in the world, and senses is mostly the other way.

well understand that even he is not the most popular man in the world, and also, that it is his own fault if he covernment when the series the meeting was held. The square the most popular man in the world, and also, that it is his own fault if he covernment when the barren and unremunerative title of an honest, uptakes its name from the adjacent garrison buildings, the old officers' quarters being arranged along one side of the square.

Among the statements in reference to the ill managed visit of Sir Hector Couldn't the Advocate issue an extra or Lange to Chatham, are the following, which we observe in an editorial

Sir Hector Langevin, after leaving Moncton yesterday morning, proceeded to Chatham where he arrived about 5 a. m. He was met by leading citizens and proceeded to Bowser's hotel. enough for a party to be "sick," but to "special pleader." have the inevitable infliction of the unfortunate Advocate's snspended editorial An address read by Romin Savoy, Esq., County Councillor, was also presented rom the French Liberal Conservatives in the supposed they would "put their foot the in it again," while several agreed that delayed is too cruel.
