A SENSATIONAL CASE is reported from yant ideas, formed an improper intimacy with another woman's husband, who for a ime proved a liberal "friend." By f disclosing his postion to I vife, she extorted various sums of mone rom him from time to time. He afterward oved from the city, and annoyed per frequent demands for money, c nunicated with a lawver in Halifax. T awyer paid a visit to the blacking le and by threatening to disclose the mat o her husband, connelled her to siglocument by which she gave up al her claims against her "friend."

The World makes the unsavory ever the subject of a leading editorial and in imates that the circumstances as stated re on'y the invention of some "scoundrel". etc., and published by "a strugglin evening paper to make itself popular becoming sensational." Wonder what's ap? Is it another case of a hit biluttering? Why refer to it at all, if it in unsavory invention? On the othe and why not, if it is true, make the mater the subject of proper reference as warning to similar transgressors who therwise, might go on in their wicked ness, imagining, all the while, that the public finger was not pointed at them ?

Death of Postmaster Johnstone.

Newcastle, and one of the best known citizens of the Miramichi, who has been afflicted with paralysis for the last two Wednesday afternoon last and was buried on Saturday. The funeral was largely ttended, and after the regular service of formed by Rev. Mr. Aitken, pastor of St. James' Newcastle, that of the Masonic. Order, was read at the grave by Mr. W. W. McLellan, Master of Northumberland Lodge The Chatham, Bathurst and llton Lodges were largely repreented at the funeral. Flags were displayed at half mast on the Public and ther buildings in Newcastle during the funeral and the attendance from all parts of the county was evidence of the esteem in which Mir. Johnstone was held by all classes.

THE LEGISLATURE.

[Continued from 2nd page.] "A long time ago," said he, "our fathers had sent them to the house had done themwere afflicted by a cruel famine which decimated the tribe; but after having vainly made. The hon. gentleman from Westand superstitious coremonies, one of the dress as a whole, had touched more particularly upon two questions, that of the agricultural legislation which is proposed, and the resolutions of the interprovincial conference, remarking, as he concluded his speech, upon the subject of the Eastern Extension claim. . THE CONFERENCE, In reference to the latter it would be

expected that the government should feel no small degree of pride and satisfaction at being able to make this announcement to the house, and in making the announcement he (Blair) regarded it as his duty to say that the fact that the government had been able to make it was due to a very large degree to the cordial co-operation and assistance which they have received from the gentlemen representing this province in the Dominion parliament. (Hear, hear.) They were called upon to co-operate and did so freely and heartily. He was happy to say that the government at Ottawa had treated them fairly and justly. He was glad that the views of the last speaker and himself coincided so closely upon the subject of the agricultural legis lation proposed, and would be very much pleased to accept his services in aiding the with quills of the porcupine dyed a deep government to complete and perfect measures which might be introduced, He On voyages they carried one wooden gathered from the hon, gentleman's re-On voyages they carried one wooden cross, about two and a half feet high, in the bow of the cance; the other two they describe the cance; the cance the other two they adopted the cancer the other two they are the cancer than the bow of the cancer the other two they are the carried one wooden cancer the cancer than th tion of the resolutions of the interprovincial conference. He had understood from trustees of dist. 7. Newcastle, to issue devarious quarters that the hon. member was very indignant that the representatured to meet with representatives from
