The Many Uses of a Good Sewing Machine

There is practically no limit to the variety of work that can be done with a
Singer Sewing Machine. Whether for the finest embroidery, the plainest home
sewing or the most elaborate tailoring, the Singer is equally efficient.
Every woman takes pride in having these things, but if they be her own handi-
work, the satisfaction is complete, because her own personality is reflected in every
seam.
The woman who uses a Singer may have everything in needlework she can
desire---she is better dressed at much less cost; her children are clothed according
to her own taste and ideas; she has attractive table linen, and an unending supply
of dainty underwear.
Moreover, she is free from the worry and delay which always comes with the
use of a "cheap" machine.
