### COUGHING ALL NIGHT.

It's this night coughing that breaks us down, keeping us awake most of the time, and annoying everybody in the house. Lots of people don't begin to cough until they go to bed. It gets to be so that retiring for the night is an empty form, for they cannot rest.

Adamson's Botanic Cough Balm makes life worth living to such people by its soothing effect on the throat. The "tickling sensation" promptly disappears with the use of the Balm as it begins, and the irritation goes with it. This medicine for coughs has a disagreeable thing about it, and it does efficient service in breaking up coughs of long standing. It is prepared from barks and roots and gums of trees, and is a true specific for throat troubles.

It's this coughing is a science that every one should learn. Not knowing how to treat them has cost many fortunes and many lives. In Adamson's Balm there are the elements which not only heal inflammation, but which protect the inflamed parts from further irritation. The result of this is that the tendency to cough does not manifest itself, and you are surprised at it. Afterward you would not be without Adamson's Balm at hand. This remedy can be tested. 25 cents at any drugist's.

Mother Graves' Worm Exterminator is pleasant to take; sure and effectual in destroying worms. Many have tried it with best results.

Why go limping and whining about your corn, when a 25 cent bottle of Holloway's Corn Cure will remove them? Give it a trial, and you will not regret it.

**STEWART'S DANGEROUS**—Have you lost your appetite? Have you a coated tongue? Have you an unpleasant taste in the mouth? Does your head ache and have you dizziness? If so, your stomach is out of order and you need medicine. But you do not like medicine. If that prevents sickness medicine must suffer, but under the circumstances the wise man won't preserve his box of Parrot's Vegetable Pills and squander it himself in health, and strive to keep so.

**THE MOST POPULAR PILL**—The pill is the most popular of all forms of medicine, and of all the most popular are Parrot's Vegetable Pills, because they do what it is asserted they can do, and are not put forward on any fictitious claims to excellence. They are compact and portable, they are easily taken, they do not nauseate nor grip, and they give relief in the most stubborn cases.

Cucumbers and melons are "forbidden fruit" to many nervous or constitutionally weak individuals. These persons are attacked by cholera, dysentery, grippe, etc. These persons are not aware that they can in future be free from these attacks if they have on hand a bottle of Dr. J. D. Kellogg's Dysentery Cordial, a medicine that will give immediate relief, and is a sure cure for all summer complaints.

**A Liniment for the Legger**—Leggers lead a life which exposes them to many perils. Wounds, cuts and bruises cannot be altogether avoided in preparing timber for the drive and in river work, where wet and cold combined, are of daily experience, coughs and colds and muscular pains ensue. Get out "Nerve" Dr. Thomas' Electric Oil when applied to the injured or administered to the ailing, works wonders.

**We've Got It Right In The Head.**

That's where Catarrh always sticks, until it strikes down into the lungs, then it's Consumption. Summer is coming, that's the time to cure Catarrh. The weather, sunshine, dry air, are all favorable. Catarrh will not cure itself. The favorable conditions above mentioned enable Catarrhosone to do its work in one quarter of the time. It always cures, but it cures more quickly now than at any other season of the year. Your druggist or doctor will tell you what a good thing Catarrhosone is. 25c. and \$1.00.

**Rheumatic Pains Cured by Nerviline.**

This is the testimony of Mr. Benjamin Dillon, of Leeds, Ont., who says: "I feel it my duty to proclaim the marvellous value of Polson's Nerviline as an infallible cure for rheumatic pains; it cures them every time. Nothing I know of equals it as a household liniment, and mothers should feel it as necessary as bread itself. Nerviline has cured rheumatism of 30 years standing, and can cure you. Instant relief, absolute cure, large bottle 25c."

**ONE TEASPOONFUL of Pain Killer** in hot water sweetened will cure almost any case of flatulency and indigestion. Avoid substitutes, there is but one Pain-Killer, Ferry Davis'. 25c. and 50c.
