SECURITY BACK OF THE BONDS The six per cent. Bonds now offered are sesites and building lots from the mortgage only on the payment of a certain price per foot, according to location on plans filed with the Trust Company,

The Trust Company is further obliged to provide not less than 70 per cent. of the proceeds of this will naturally provide a market for the Bonds at increasing prices. In this way the entire issue will be gradually redeemed, and there will be left for the Common Stock, obtained as bonus, an equity which certainly can be counted upon to be equal to the par value of the Common Stock.

MANAGEMENT.

The management of the property has been placed with Findlay & Howard, Limited, and this Company is known as among the most successful managers in Canada of large real estate sub-divisions, including such well-known companies as the Park Realty Company of Montreal, Kesmore Realty Company, Applemount Realty Company, Limited, Realty Syndicate, Limited, Lindores Realty Company, Limited, Bernam Realty Company, Limited, Findlay & Howard Limited, in a report on the property, state that they have no hesitation in saying that over \$800,000 NET will be taken out of the property.
