Wednesday. Bat. Nelson vs. Bay Woods, New Bedford.

Thursday. Jimmy Clabby and Jack Dillon, two other contenders for the late Stanley Ketchel's title, are to meet in Indianapolis on Wednesday night and the sports of that city should see a great bout.

Worcester is to make an attempt to place itself on the boxing map again tonight. A bout between Kid Eagan of Boston and Fred Yelle of Taunton, both good boxers, is one of the cards on the program.

Young McDonough, the Manchester, N. H., boxer, who has been kept pretty busy by his manager, Hector McInnes, will tackle Johnny Glover of South Boston at Augusta, Me., tonight. Sports of that section should not miss the bout.

The big bouts of the week are to be the holiday attractions in California on Saturday. At Vernon, Calif., K. O. Brown of New York will go against Joe Rivers, the Mexican. To Eastern sports it has looked for some time as if Brown was close to being cashed as a boxer. If Rivers shows the form he did against Wolgast and Mandot the New Yorker will be on the losing end.

Re-champion Wolgast and Tommy Murphy, another New Yorker seeking fame in California, will meet in Daly City, just outside of San Francisco, on the same day. Wolgast believes that he has fully recovered his form, but Tom Jones says otherwise, and it looks as if Wolgast is again tempting fate. Being an ex-champion, and with no bright prospect of regaining the title, he is not so particular who he meets or as to the price for his services as he once was.

Joe Bowker, ex-champion bantamweight of England and now a veteran came back in the game at London,

PROVINCIAL CURLERS HERE READY FOR BIG BONSPILL; THE PROGRAMME FOR TODAY

The Royal Caledonia Curling Club bonspiel under the auspices of the New Brunswick branch commences this afternoon and promises to be the greatest time in the history of curling in this city. In all ten New Brunswick clubs have entered rinks in the doubles and singles competitions and in all it means about 136 curlers being kept busy for a couple of days. The Sackville and Campbellton curlers arrived in the city last evening. Fredericton, St. Stephen, Moncton, Newcastle and Hampton rinks will arrive here this morning.

The Blair trophy presented by Andrew Blair of Edinburgh, Scotland, will go to the winning club in the doubles competition and this has to be won three years to become the property of the club. In addition to this trophy J. A. Sinclair, the president of the New Brunswick branch, is presenting a handsome shield which will be the property of the club winning the doubles this year. There are also individual prizes given to the runners up in the doubles competition and also to the winners and runners up in the singles.

It has been decided that 14 ends will constitute a game in the preliminaries while sixteen ends will be played in the finals.

All games will be played under the rules of the Royal Caledonia Curling Club and all disputes will be settled by the executive of the New Brunswick branch. P. W. Wetmore of the Carleton Club, is the secretary of the branch, and during the bonspiel he has an office at the Victoria Hotel and his telephone number is Main 1895 and he will gladly give any further information to those who wish it.

Eng., the other night and won his bout against Young Cohen in 15 rounds.

As usual, New York and Brooklyn will hold a large number of bouts. In one of them, Wednesday night, Champion Johnny Kilbane will meet George Kirkwood of St. Louis.

Philadelphia has a classy bout billed for Saturday night, Jack Britton meets Young Erne, who appears to be regaining his old form.

The Olympic A. C. of San Francisco evidently is not aware that there is no amateur heavyweight champion boxer, for it has written to James E. Sullivan to have John Severino of Beverly, who won the title at the last championships here, go of San Francisco and box Bob McAllister, touted as a wonderful amateur. As Severino has become a professional and boxed several times here as such, he cannot go against McAllister.

John Coulson's physician has advised him not to attempt to box again for two months.

Kid Curley and Jimmy Duffy will meet in Buffalo, Feb. 28.

NO MORE BOXING IN MARIEVILLE. Providence, R.I., Feb. 17.—An effort on the part of the Marieville boxing club to secure a renewal of its license in North Providence, to hold exhibitions is being opposed by Gov. Potter, who said tonight that under no circumstances will any more boxing be permitted there. "The men who have been conducting the shows in Marieville should go to work," said Gov. Potter, "and Marieville will then be a cleaner place for respectable people to live in. The town council has been instructed to issue no more licenses for Marieville, and if it does, sheriff's force will stop the fights."

From a Man Who Knows. From the Magazine Islands, away down among the fogs of the Gulf of St. Lawrence, comes a letter from a man who knows that Dr. Chase's Ointment is not only a relief but also a positive cure for protruding piles.

Too many make the mistake of stopping this treatment when relief is obtained, when by persistence they could be entirely cured.

Mr. Joseph Meuse, Grand Entry, Magazine Islands, writes: "After using Dr. Chase's Ointment as a treatment for piles I must say that it did not only relieve me but has effected a cure. I had protruding piles for a number of years. Dr. Chase's Ointment cured me and I have had no return of the ailment. You may publish this statement, as that it may be the means of helping other sufferers."

Surgical operations, with all the pain and risk, are unnecessary, for Dr. Chase's Ointment is a proven cure for every form of piles.

WITH THE BIG BALL LEAGUERS

Boston, Mass., Feb. 17.—President McAleer, sudden disappearance from Boston on Saturday was explained yesterday afternoon, when a telegram was received from him dated Chicago in which he stated that he had signed up Tris Speaker. The great outfielder of the Red Sox had come from Hubbard City, Tex., to meet him. President McAleer has always said that he would be able to sign Speaker just as soon as he could see him personally. Mr. McAleer took the trip to Chicago especially to do this after having made an appointment with the Texan to meet him there.

STAHN HEARD FROM. Hot Springs, Ark., Feb. 16.—Jake Stahl, manager and first baseman of the Boston Red Sox, the greatest baseball team of them all, was heard from today.

In a letter to Manager Ebert T. O'Connell of the Eastman Hotel, Stahl says he will reach the spa Feb. 24 or 25.

Bill Carrigan and Clyde Engle were on deck especially a year ago, so along this winter it was thought that some of the older players would come along with Stahl. However, the manager has made only his own reservations, so if Wagner, Wood or any of the other champions come on in advance they will arrive direct from their respective homes, not reaching the spa in company with their manager.

When Treas. Robert B. McRoy of the club was here in November he engaged quarters for the players from Sunday, March 9.

Stahl says he is going to imitate Chief Fred Clarke of the Pittsburgh Buccaneers and have his battery men arrive in advance of the main squad so as to be in fair condition when the nine-game series with the Pittsburghers is begun March 16.

Stahl says he will have his pitchers and catchers on deck here March 2, so they will get a year's more work than the regulars. Clark will have his bat ready for the first game, and the regulars, who will first go to French Lick, will not arrive until March 14 or 15. So where the Pirates will only have one or two workouts together before the big deal series, the champions will be able to limber up together a whole week.

Clarence English and Guy Buckles, well known western boxers, were back in Lincoln, Neb., charged with robbing a news agent.

Joe Mandot has parted with his second manager, Harry Coleman, and now looks as if Jimmy DeForest would direct his affairs.

Charley Thomas, the Philadelphia boxer who has been in the arena several months, has returned after a successful campaign.

95% of Canadians Have Catarrh. Easily Contracted by Long Standing on Cold Ground, or by Sitting in a Cool Place When Fatigued or Overheated.

You may have thought of giving a name to the unpleasant symptoms that affect your throat, nasal passages or bronchial tubes. Where a thick viscid mucus is coughed up or falls into the throat or stomach, when the nostrils are swollen and the throat sore, when the eyes are watery and difficult, these are absolute proofs of Catarrh. Sometimes it affects the head, the head, nose, throat, and the throat, these are absolute proofs of Catarrh. Sometimes it affects the head, the head, nose, throat, and the throat, these are absolute proofs of Catarrh.

Mrs. J. R. Smith, of Lake Stream, P. O. Kent Co., N. B., writes: "I am a great good Catarrhoid and I did my first year of eight years. Last winter she caught cold which lodged in her head, nose throat, and the throat, these are absolute proofs of Catarrh. Sometimes it affects the head, the head, nose, throat, and the throat, these are absolute proofs of Catarrh.

Personally I can also recommend Catarrhoid for colds, throat irritation, and Catarrh. It is a wonderful medicine.

There is no remedy so certain and safe as Catarrhoid, but being a good remedy it is limited. Beware of the substitution. Large Catarrhoid some last two months, price \$1.00, smaller sizes 25c and 50c. All dealers or the Catarrhoid Co., Buffalo, N. Y., and Kingston, Ont.

LURICH TO WRESTLE ZBYSZKO

Boston, Feb. 17.—George Lurich, the Russian wrestler, last night notified Promoter George Tuohy that he would remain in his present training quarters in Chicago until tomorrow and that he would arrive here Wednesday in the best of shape for the match with Zbyszko in Mechanic's building on Thursday night.

The trend of opinion now is toward Lurich to win over the Pole. The public have watched Lurich's performances since he last appeared here and western cities are prepared to make a fight for it. Boston, however, will have the advantage, as Promoter Tuohy stands ready to meet every day and is now fully aware of the fact that the winner will be in demand for a match with Poth is evidenced by the fact that Kansas City and other western cities are prepared to make a fight for it.
