

of Inebriety

entire constitution that life insurance companies refuse to accept men who drink to any excess, as they know their chances of long life are slim and surgeons will refuse to operate on heavy drinkers, because their vitality is so lessened that their recovery will be doubtful.

If you have to contend with intemperance you need no longer despair or give up hope, for a new era has dawned for the man or woman who drinks. His or her family now realize that they are more to be pitied than censured. They have learned that it lies within their power to save them and for their own and for their families' sake they now see to it that he is properly treated and all craving desire and appetite for liquor is removed by the Phoenix Three Day Drink Cure at 86 Wright street, St. John, N. B., an institute managed by F. Sander, a man of long years' experience, with the assistance of his trained nurses and physicians, at a nominal cost.

CIRCLES, CIRCLES, CIRCLES MONEY, MONEY, MONEY

Standard's Puzzle Contest
Makes People See Nothing
but Circles and Gold.

The puzzle bug is buzzing merrily away without regard to class or creed. Young and old have become inculcated with an inspiration to count, and wherever The Standard circulates the puzzle is creating much speculation. It is less than a week since the first announcement, and those who have not already sent in a solution of the problem are working with the idea of submitting "the one correct answer" before the 14th of June.

One of the pleasant things about the proposition is that everybody who counts the circles has the satisfaction of feeling sure of winning one of the prizes.

Contestants who are not thoroughly familiar with the conditions and rules of the contest should read carefully the advertisement which appears each day.

That there is going to be a rush during the next few weeks there is no doubt; so if you do not want to be in the rush the sooner you get busy the better.

The puzzle seems to be growing more elusive each day. A contestant, who evidently counted the chart each day since its first appearance, writes us that she gets a different number with each count, and wants to know if it is the same chart that appears in each publication.

This contestant writes: "I have been studying your puzzle very carefully and seem to get a different result each time. I have counted the circles four times, and have arrived at four different solutions. I am still not satisfied so will go over this again tomorrow, and send you in my final count."

Unless the chart is a "spook," and has the faculty of assuming different forms at different points, the puzzle editor can assure the contestant that we have published only one chart. Despite the fact, as stated by her, "that the way I have been counting is very simple, and it is almost impossible to make any mistake," the contestant is no more confident than hundreds of others, who have it just right, but differ, and the puzzle editor can advise to her to count again, because the great variation in the answers of those who "cannot possibly be wrong," shows plainly that they are a great many who cannot possibly be right. If you haven't counted yet, get busy and register a solution at once.

PERSONAL.

Scott D. Guphill, M. L. A., was at the Victoria yesterday.

William Pierce, of Montreal, who represents the Brunswick-Balke Calender Company, is in the city on a business trip.

Mrs. James A. Bourke, of Edmundston, who has been visiting in the city for the past few weeks, left yesterday morning for Stanley, York county, where she will spend the summer.

SUBURBAN TRAIN SERVICE FOR VICTORIA DAY.

The I. C. R. will run a morning suburban train to Hampton on Victoria Day, May 24th, leaving St. John at 9:00 a. m. and arriving at Hampton at 9:55 a. m. This will afford a fine opportunity for those who wish to spend the day in the country or to visit friends in the suburban villages along the line. The usual holiday excursion fares prevail on Victoria Day.

Worse.

"So Miss Brown is married. Well, I'm surprised. She always despised her own name for its commonness, and declared she would change it at the first opportunity. By the way, whom did she marry?"

"A Mr. Smith."

Y. M. C. A. Annual Meeting.

The annual meeting of the Y. M. C. A. will be held this Thursday, evening at eight o'clock.

SKIN DISEASES ARE PAINFUL AND UNSIGHTLY.

Among the most prevalent are Salt Rheum, Eczema, Tetter, Rash, Boils, Pimples and Itching Skin Eruptions.

These troubles always arise from the blood being in a bad condition and it is absolutely impossible to eradicate them from the system unless you put your blood into good shape. This you can do without the slightest trouble, by using Burdock Blood Bitters. It drives out all the humor from the blood, and makes it pure and rich. Thousands of people have used it during the last thirty-five years and have been cured.

Mr. Robert Gamble, Jones Falls, Ont., says:—"I write with the greatest of pleasure to recommend your great blood purifier, Burdock Blood Bitters. My wife and I had itching sores on our face and ears, and tried everything to help them, but found no relief. We saw your B. B. B. advertised and got a bottle, and before it was half gone we both were getting better, and when it was all gone we were cured."

Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

CANTATA WELL SONG IN ST. LUKE'S CHURCH

Enjoyable Entertainment, Last
Evening, by Junior Girls' Club
of the Church — Different
Roles Well Taken.

An enjoyable entertainment was held last evening in St. Luke's church when a missionary cantata was held by the Junior Girls' Club. The entertainment was under the direction of Miss Cunningham, Miss Rubins, Miss Green and Miss Harrison.

The cantata which was in two parts was given in admirable manner and delighted all present. "Christ and His Kingdom" was the name of the piece. The first part consisted of illustrations of the life of Christ, various characters being assumed by the following who sang the solos: Roberta Craft, Edgar Adams, Alta Hazelwood, Floiss Wright, Kathleen Craft, Irene Moore, Elsie Dunlop, Grace Turnbull. The choruses which were well rendered were sung by a church choir of twenty-five girls.

The second part was equally well given, recitations being given by Grace Turnbull, Elsie Dunlop and Roberta Craft. Solos were sung by girls of the auxiliary. The cantata was concluded by two choruses.

The whole entertainment proved delectable and credit is due the directors and all who took part.

WORKING NOW FOR SCIENCE BUILDING

Mount Allison Cannassers
have, so far, Secured \$200,000, and will now Work for the \$50,000 Extra.

Members of the organization of the Mount Allison Cannassers have issued a statement to the effect that the movement has so far been highly successful. It was the intention of the organizers to secure \$200,000 additional endowment and \$50,000 for the purpose of erecting a new science building.

The report received last evening was to the effect that up to the present, subscriptions have been received sufficient to make up the first \$200,000. There are a number of districts still to be seen, and there are many generous friends of the institution, who, it is hoped, may be persuaded to increase the amount of their original contributions.

The committee will continue active work with the hope of raising the full amount desired, as the science building is generally regarded as an absolute necessity.

As a starter towards this fund, S. W. Brookfield, of Halifax, has offered \$10,000 in addition to the \$50,000 previously subscribed, on condition that the whole amount of \$50,000 be raised. Contributors to the fund and other institutions are cordially invited to the closing exercises of the institutions and the 50th anniversary of the first graduating class of 1863.

BODY FOUND IN RAVINE THAT OF P. E. I. MAN

Special to the Standard.

Fort Fairfield, Me., May 21.—The body of the mysterious stranger, found in a secluded ravine on the Emery Nictunale farm near the New Brunswick boundary, on Saturday May 10, has been identified by Mr. and Mrs. Henry Mullen of Mars Hill, as being that of Orin Brinnon of Prince Edward Island.

Despite the fact that the identity of the body has now been established, the cause of Brinnon's death remains as much of a mystery as ever. Hints of foul play have been openly made but there appears to be nothing tangible upon which to base opinions.

Mr. and Mrs. Mullen say Brinnon came to them last fall and helped harvest the potato crop. He liked the work and remained all winter. He left their farm at noon on Tuesday, May 6, saying he would take a short vacation and return in time to help with the spring planting. He had been seen \$6 and \$7 with him, when he left.

Although Mr. Mullen says, Brinnon drank heavily at times, an autopsy on his body failed to show the presence of liquor in the stomach. Neither were wounds on the body such as would have resulted from a struggle.

The identification was made by a photograph of the dead man, and by examination of his clothing. Brinnon claimed to have come originally from Scotland, but had lived in Prince Edward Island for a good many years. He was about 50 years old.

FUNERALS.

Edward Tierney.

The funeral of Edward Tierney took place yesterday afternoon at 2:30 o'clock from the residence of his brother-in-law, John MacNeill, Cliff street, to the Cathedral, where Rev. Miles Howland conducted the funeral service. There was a large attendance. The force department of the St. John Iron Works sent a large wreath of cream roses, and the office staff a casket of roses and lilies. There were other floral tributes from his many friends.

Mrs. Andrew Lewis.

The funeral of Mrs. Andrew Lewis took place yesterday afternoon at 2:30 o'clock from her late residence, Adelaide street, to Cedar Hill cemetery. The service was conducted by Rev. R. P. McKim.

Mrs. Mary Mooney.

The funeral of Mrs. Mary Mooney, who died in Boston, was conducted yesterday morning from P. Fitzpatrick's undertaking parlors in Waterloo street to the Cathedral, where solemn high mass of requiem was celebrated, with

Rev. Miles Howland as celebrant, assisted by Rev. A. J. O'Neill, Rev. M. O'Brien and Rev. D. S. O'Keefe as master of ceremonies. Interment was in the new Catholic cemetery.

Mrs. Lucy Davis.

The body of Mrs. Lucy Davis was taken to Wickham on the steamer May Queen yesterday morning. There were highly respectable services at her late residence, Metcalf street, Tuesday evening, conducted by Rev. Mr. Wetmore. Interment was made yesterday noon in the family plot at Wickham.

Will Build Cottages.

The New Brunswick Realty Company has had the land it acquired on Douglas avenue some time ago graded off, and will start erecting dwelling houses in a short time. For a start four houses will be put up. They will be detached cottages costing about \$5,000 a piece.

WOMAN SICK FOR YEARS

Wants Other Women to Know
How She was Finally
Restored to Health.

Hammond, Ont. — "I am passing through the Change of Life and for two years had no flushes very bad, headaches, soreness in the back of head, was constipated, and had weak, nervous feelings. The doctor who attended me for a number of years did not help me, but I have been entirely relieved of the above symptoms by Lydia E. Pinkham's Vegetable Compound, Blood Purifier and Liver Pills, and give you permission to publish my testimonial." — Mrs. LOUIS BEAUCAGE, Sr., Hammond, Ont., Canada.

New Brunswick, Canada. — "I can highly recommend Lydia E. Pinkham's Vegetable Compound to any suffering woman. I have taken it for female weakness and painful menstruation and it cured me." — Mrs. DEVERE BARBOUR, Harvey Bank, New Brunswick, Canada.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female life we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Every Woman
is interested and should know about the wonderful MARVEL Whirling Spray. The only "vaginal" spray. Best, most convenient, and most effective. It cleanses thoroughly.

FOR WOMEN'S AILMENTS Dr. Martel's Female Pills have been the Standard for 20 years and for 40 years prescribed and recommended by Physicians. Accept no other. At all druggists.

Can You Count?

\$1,250 IN GOLD SEVENTY PRIZES

THE ST. JOHN STANDARD'S BIG PUZZLE CONTEST

No Trick or Chance Involved. Only Accuracy and Patience
Required. Old and New Subscribers Can Enter.
Note Carefully the Plan of Dividend Prizes.

HOW TO ENTER

This contest is restricted to people residing in the Provinces of New Brunswick and Nova Scotia.

A payment on subscription to The St. John Standard of from \$1.00 to \$5.00 entitles the contestant to submit a solution of the puzzle. The amount of money paid in will cover the subscription price for the paper according to the regular rate, whether the rate be for city delivery or by mail.

AS MANY DIFFERENT SOLUTIONS MAY BE SUBMITTED AS THE CONTESTANT DESIRES UPON MAKING AN ADDITIONAL PAYMENT WITH EACH ONE, BUT NOT MORE THAN \$5.00 CAN BE PAID WITH ANY ONE SOLUTION.

It is not necessary to pay the same amount with each solution if more than one be submitted.

As the main prizes have an added value according to what is paid in on subscription with the winning solution, contestants should familiarize themselves with the DIVIDEND schedule before sending in their subscription and solutions.

Remit by check, money order, registered letter or in 1 or 2-cent stamps. Whatever is paid, whether on one or a number of solutions, will apply on a continuing subscription to The Standard.

Solutions unaccompanied by cash subscription will not be registered. This contest is open to both old and new subscribers within the territory designated.

DECIDING TIES

In case there are ties, as many prizes will be reserved as there are contestants tied before any prizes are awarded for less correct solutions. For instance, if ten people tie on the correct solution, they would receive the first ten prizes, and those having the next nearest correct answers would receive the remaining prizes.

If there should be more ties than there are prizes offered a second puzzle will be presented. No money will have to accompany the solution of the second puzzle. The second puzzle will be practicable and solvable.

In the event of ties on the second puzzle, a third will be presented to those that have tied. The second and third puzzles will be used only in case of ties. Their purpose will be merely to decide ties, so that in the event there is a tie, the prizes can be awarded without having to divide them or without resorting to chance.

However, only three puzzles will be presented, and in the seemingly impossible event of still another tie, the prizes will be equally divided. If there are no ties, there will be only one puzzle.

AS TO DIVIDEND PRIZES.

Same will be divided between those who have the correct or nearest correct answers. ALL DIVIDEND prizes will be divided pro rata according to the amount paid in by the winner.

For example, if there are two contestants who tie before any prizes are awarded, the nearest correct answer, they will divide the first and second prizes of \$100.00 and \$75.00, giving them \$50.00 each, and will also be entitled to DIVIDEND prizes, which is forty times the amount paid in for the first prize and twenty times the amount paid in on the second prize, the two tying will then be entitled to divide sixty times the amount they have paid in, making thirty times the amount paid in on their subscription.

Now, if one paid \$2.00 and the other paid in \$5.00, the one paying in \$2.00 would receive thirty times the amount paid in or \$60.00 as his DIVIDEND prize, while the one paying in \$5.00 would also receive thirty times the amount paid in, or \$150.00 as a DIVIDEND prize.

This same rule and example will be followed throughout in the awarding of prizes in case of ties.

Count the Circles

Copyright 1913, J. R. Colburn.

THE PROBLEM

The problem is to count the circles. Every circle is complete and intersects or touches one or more other circles. There are no parts of circles or shams or deceptions of any sort in the puzzle. In the event that no one counts the exact number the prizes will be awarded for the nearest correct solutions. Accuracy and patience are the main requisites for arriving at the correct or nearest correct count. Those who display these qualifications to the best advantage will solve the puzzle best.

SPECIAL ATTENTION

While the winning of the prizes does not in any measure depend upon the time the solution is sent in, it is best to begin counting at once and send in your solution as soon as you have finished. There is no limit to the number of different solutions you may send in. After a solution has been submitted, it cannot be changed.

All those entering the contest will be required to abide by the ruling of the Contest Manager. In the event of any questions arising the Contest Manager, if he deems wise, can appoint a committee to assist him in deciding them, and those who enter the contest do so with the understanding that such decision will be final.

Cut out this blank smoothly around the border and send it with your solution and money.
