COL. HARRISON ON INSPECTION TRIP

Commander of Ammunition Column will visit Montreal, Toronto and possibly Winnipeg — Fredericton news.

Special to The Standard. Fredericton, March 26.—George A. Perly, M. L. A., received a telegram this morning conveying the sad intelligence of the death at Wolsley, Sask., of Mrs. Perley, widow of the late Senator Perley. The deceased was formerly Miss Phoebe Slipp, sister of Edward Slipp, of Slipp & Flewelling, St. John, and A. E. Slipp, of Hampstead. The late Mrs. Perley was 80 years of age, and is survived by two daughters, Mrs. E. A. Banbury, of Wolsley, and Mrs. Levi Thompson, wife of the member of Parliament for Q'Appelle, and one son, Ernest of Wolsley.

GROW YOUR VEGETABLES IN YOUR BACK YARD

Patriotism and production for the city dweller as well as the farmer.

The slogan "Patriotism and Production" has proven effective in arousing farmers and other crop producers to renew their efforts for the coming season and increase the yield of their farms. Not only in the rural districts has this matter been taken up but in the cities and towns it has been given grave consideration and those having vacant land available are planning to produce something of food value.

In some places, in almost every city, people have had vegetable and flower gardens and it has also happened that with window boxes as garden plots city dwellers have produced their own summer supply of lettuce, radishes and other small vegetables. The Federal Department of Agriculture has taken up the matter of production in an earnest manner and has done all possible to encourage a greater production. This effort has not been confined alone to country dwellers but the city people are also urged to grow something in the food line.

W. T. Macoun, Dominion Horticulturist, has devised a competition planned to aid the Empire and assist the individuals. The competitions could be organized in any locality. Mr. Macoun says:

The British Empire will need all the food that can be made available in 1915. Everyone in cities and towns with vacant land can produce some food if he will. By growing vegetables for your household you will release food for some one else, which would have been sold to you. By growing vegetables for your own use, you will also save most of the money that you would otherwise have paid for them, which you can give to the many needy war funds, should you care to do so. Vegetables fresh from the garden are much more appetizing than those which have been gathered for some time. You will, if you grow your own, find that you will eat more vegetables than you have been accustomed to and will have less desire for more expensive kinds of food.

The rules governing competition have been made as simple as possible so that everyone whether he knows little or much about gardening has a chance of winning a prize.

It is presumed that many will enter, who never gardened before and whose yards are at present in a very rough condition, and this has been taken into consideration when the rules were made.

Gardens entered in the competition are to be 1,000 square feet in area. In other words they should be 50 x 20, 40 x 25, 30 x 35, or any other shape that will give the required area. Potatoes are excluded from the general garden but may be grown alongside, and, if possible, special prizes will be given based on the same points as for the general garden. There is no restriction as to the size of lots for potatoes.

The gardens will be visited six times by the judges, once before any work is done and then once a month in May, June, July, August and September. Other details for the conducting of these back yard competitions may be secured from the Federal Department of Agriculture.

The Dominion Department of Agriculture has taken a deep interest in the agricultural prosperity of the country and all citizens should assist in every possible way.

OBITUARY.

Mrs. W. D. Perley.

Many friends will bear with sincere regret of the death of Mrs. W. D. Perley, widow of the late Senator Perley, of Wolsley, Sask., which occurred on the 25th inst. after an illness of some months. Mrs. Perley was a daughter of the late James Slipp, Sr., of Hampstead, Queen's county. Mrs. Perley, with other friends went west in 1883, and was one of the first to settle in the town of Wolsley. A woman of kindly disposition, and pleasant manner, she was greatly respected by all who knew her. Mrs. Perley is survived by one son, Ernest, and two daughters, Mrs. Banbury and Mrs. Thompson, of Wolsley, also two brothers, E. W. Slipp, of this city, and Alfred E., of Hampstead, Queen's county.

AUTO SHOW NEXT WEEK

Latest types of cars and accessories will be shown in different show rooms.

That St. John is to have an automobile show was decided at a recent meeting of the St. John Automobile Trade Association, Ltd., and the dates are Thursday, Friday and Saturday, April 1st, 2nd and 3rd. This association is composed of the leading automobile, tire and accessory dealers in the city.

The last big motor show held in St. John was in the armory, the previous show was in the Queen's rink. This spring as there is no available quarters suitable for the holding of a show the dealers will make a special exhibit of the new 1915 models of all leading makes, at the respective agents' show rooms during the days above mentioned. This is especially intended to give car owners and prospective purchasers the benefits they have in the larger cities, and to afford them an opportunity to examine the new models and note the changes and improvements made by the manufacturers of cars, tires and accessories.

These will be attractively displayed at the show rooms of the different dealers. The following are the dealers in the association and addresses: Canadian Consolidated Rubber Co., Dominion Tires, tire accessories, 36 King street; J. Clark & Son, Cadillac and Studebaker cars, 17 Garmata street; Dunlop Tire & Rubber Goods Co., Dunlop tires, tire accessories, 58 Canterbury street; Empire Garage and Supply Co., accessories, etc., 90 Duke street; Ford Motor Co. of Canada, Ltd., Ford cars, 5 King street; Goodyear Tire & Rubber Co. of Canada, Ltd., Goodyear tires and tire accessories, 83 Prince Wm. street; McLaughlin-Carragee Co., McLaughlin-Buick cars, Union street; Motor Car & Equipment Co., Ltd., Huppmobile, Hudson and White cars, White trucks, 108 Princess street; New Brunswick Motor Car Co., Oldsmobile and Paige cars, 146 Charlotte street; J. A. Pugsley & Co., Overland cars, motor trucks, automobile supplies and accessories, 45 Princess street.

The dates for the show were chosen to enable car owners and others, who wish to visit the city, to take advantage of the public holiday on April 2nd, and also of the Easter one-day excursion rate on the railways and steamers.

On April 3rd all the new models will be shown in a grand street parade through the principal streets of the city.

The action of the association in making arrangements for this special show will be greeted with appreciation by all lovers of the motor car who have not had the opportunity of visiting the motor show in Upper Canada, Boston and New York. They will be enabled to look over the very latest models in St. John as were shown in the larger cities. It had been the intention of the association after the show last spring to hold a motor show on a large scale this spring, but being unable to secure a building large enough for such a show they are doing the next best thing and although all the latest models will not be seen in one building, the cars, etc., will be nicely displayed in the different show rooms and an efficient committee will be pleased to wait on the visitors at the hotels and direct them to the different displays, also giving any further information that they may desire.

REFUGEES FROM BELGIUM HERE

Mother and two children arrived last night via New York — Could not speak English.

The first of the refugees from Belgium arrived here last evening. The party consisted of a mother and two children, a boy and a girl. The boy was about ten years of age, while the little girl was about six. None of the party could speak English and their arrival here was unheralded. As near as could be learned from them they were going to St. John's, Quebec, and had been ticketed here instead. Their tickets read Ellis Island to St. John, N. B. and it was thought that a mistake had been made in New York.

As near as could be learned, without an interpreter, the party was on its way to Quebec, where relatives were living. The head of the family was fighting for his country and his wife and children were sent to Canada on account of the unfavorable conditions in their native land.

The first notice of the party was taken when the boy presented himself at the office of the train dispatcher with his immigration certificates. The man in charge was unable to read Belgian, but he gathered from the papers that the party had only recently arrived at Ellis Island and were going to relatives in Canada. The man who handles the train des-

patches used all the language at his command on the Belgians, but even his Morse was not understood. He learned, or at least thought he did, that the party had come out to Canada from the war swept district of Belgium and that they had been misdirected to St. John, N. B. Instead of St. John's, Quebec. Anyway the party was here and the agent of the Girls' Travellers' Aid took charge of them for the night until an interpreter could be secured.

It is likely they will be sent forward to their destination today.

YOUNG-ADAMS COMPANY AT THE OPERA HOUSE.

Two performances will be given today of the well known play, "Ten Nights in a Bar Room" at the Opera House. Directly after the matinee there will be a children's amateur con-

test and a reception on the stage by Marguerite, the clever child actress. Tonight comes the "Country Store" again, with over 100 packages of groceries and household articles given away to the audience.

Next week will be the farewell week for the Young-Adams Company, and a splendid programme has been arranged. A different play will be presented each day. Matinees will be given Wednesday, Friday and Saturday. A souvenir photo of Mr. Young will be given Monday night; souvenir chocolates at the Wednesday matinee; souvenir photograph of Marguerite Wednesday night; photograph of Hazel Stevenson on Thursday night, and a souvenir photograph of Miss Adams at both performances on Friday. The arrangement of the plays for the week will be found in advertisement in another column. Seats are now on sale for all performances.
