DEVER'S AGGREGATION TROUNCED WINSTON'S NOVICES LAST NIGHT

Score 10-3—Game Called at End of Second—Good Crowd Saw Initial Game at St. Peter's Yard.

With saddened hearts and low-bent heads Winston's diamond performers left the St. Peter's ballfield after the opening game of the season, wondering who it was that told them they could play ball. No doubt, during the first inning, they had good reason to believe that their informant told the truth, but the second, when Dever's start cut loose and piled up ten runs in their three, the opinion changed. The game had to be called on account of darkness at the end of the second inning.

Although the weather was not at all suited for the sale of cool drinks or sunshades, a good attendance marked the initial game of the league. The honorary president, T. J. Durick, tossed up the first ball, which was supposed to go over the plate, but either owing to the weight of the ball or the distance the president had to throw it, the sphere fell short. Allowing for the inexperience of the players, the game was not without its interest, and many a person had reason to kick. The game may not have been as tight as some would have liked to see it, but as the season matures some real live baseball scraps will be seen on the local diamond.

The Thistles, which won the championship last year, were somewhat changed. Milan occupied second base in place of "Smiling" Gibbons. He let a couple of spirited ones pass him in the first inning, but to some extent redeemed himself in the second. On third, Mooney, a new addition, held forth in fine style. The big guns, O'Connor and Dever, completed the battery. Dever played in his old form and his exhibition was indeed creditable for the first game of the season. As for poor "Okey," the Cliff street resident found him the first inning and did not lose sight of him until he was removed to the left hand garden. He was replaced by Hansen, who was the gem of the evening. He swung the willow last night in herculean style, registering two hits, one of which was a three bagger.

Although the Y.M.C.I. went up in the air in the second inning their playing the first of the game displayed a little knowledge of the game, and with another shake up there may be a big surprise in store for the boys. Lobb worked like a pilot driver from start to finish, but the best pitcher in the world could not win a game with a team that has no support in the outfield. He had five strikes out to his credit. The only veterans of last year's bunch on Winston's line-up were Murphy, who frosted first base for the Y.M.C.I., and Gurnet, who styled in a few games last year. After last night's game there is no doubt that the manager of the Y.M.C.I. will make a few changes in the aggregation.

Billy Howard, the reliable and impartial umpire, stood behind the pitcher. His decisions, as usual, were accepted by both fans and players. The box score was as follows:

Thistles.	AB	R	H	P	O	A	E
Milan, 2b	3	0	0	0	1	0	0
Mooney, 3b	1	1	0	0	1	0	0
Hansen, rf	2	1	2	0	0	0	0
Dever, c	2	1	3	0	0	0	0

Diamond Dogs.
Unless the committee grease that turn-stile the fans should demand that a fire escape be built on the fence. John O'Connor gave the game to the Maple players are paid this season. He took up a collection last night. The nearest that the Y.M.C.I. can get to a diamond of their own is a Garret.

T. J. Durick has offered a five dollar gold piece for each player on the winning team. The Thistles are already

LOCAL BASEBALL

Schoolboy Game at Y. M. C. I.—Senior League Contests at Y. M. C. A.

The first game in the Boys' Club Baseball League series was played last evening on the Peters' playground, the Beavers being matched against the Boys' Club team. The game was a try-out for the boys, but they soon warmed up to the work netting a score of 4 to 2 in favor of the Beavers. The lineup:

Beavers	Catcher	B. O. Team
Second	Thompson
Appley (Capt.)	Horton
First Base	Moses
Stewart	Elliot
Second Base	Lenihan (Capt.)
Tobin	Shortstop
Hibbert	P. Flahwick
Third Base	Trainer
Stirling	Griffin
Left Field	Flahwick
Hazelwood	Right Field
Bocharis	Umpire—Donahue
Right Field	Alerts vs. Cubs tonight.

BASKETBALL

First Game Last Night in Boys' Boys' Club League.

The "A" team was defeated by "D" team of the school boys' class in the first game of basketball last evening in the Y. M. C. I. gym. At the end of the first half the score stood 5 to 5, but in the second half "A" team registered only one basket for two points against the 7 points acquired by "D" team. The final score stood 12 to 7 in favor of "D" team. The lineup was:

AT THE Y. M. C. A.
The first of a series of three games in the senior Sunday School Basketball League was played last evening at the Y. M. C. A. between St. Paul's and St. David's. The best out of three games decides the championship of the league. In a very fast game St. Paul's defeated St. David's by the score of 16 to 14.

In the first half St. Paul's held the lead by the score of 11 to 2. The second half told a different story, St. David's boys playing all around their opponents holding St. Paul's down to but one field goal and three foul throws, while St. David's made twelve points, but owing to the lead of St. Paul's in the first half St. David's boys lost the game by a narrow margin.

For St. Paul's C. Seely at forward and McKay at guard played a good game, while McQuade at forward and Malcolm at guard played a superior game for St. David's. Owing to Clark Somerville's absence St. David's team lost their star man, yet with this team they still put up a hard fight. The lineup was:

ST. JOHN IN SORE NEED OF A RECREATION GROUND SAYS Y.M.C.A. DIRECTOR

Mr. Winston Advocates a Movement for Provision of Facilities for Out-Door Summer-Time Recreation.

"I am surprised and disappointed at the lack of facilities in St. John for outdoor summer recreation," said James F. Winston, physical director of the Y. M. C. I., in an interview with The Standard yesterday. "Why, there isn't even one good baseball diamond on which the young men might avail themselves of the favorite pastime. During the winter months we have endeavored to provide in our institute wholesome recreation and opportunities for body-building exercise for our members and at this season of the year they are primed for the outdoors, but they lack the opportunity. It appears to me that business men and educators of St. John might get together and provide a lot and put it into proper shape for our growing youth, otherwise they will find time in which to wander into places and conditions not helpful but detrimental not only to their individual well-being but that of the community as well. At present the only available spot utilized as a baseball diamond is the patch of land adjoining St. Peter's church in North End, on which the young men of the city test their respective baseball merits. This should not be in a city of the size and aspirations of St. John for opportunity for the young men of any city to engage in outdoor sport is an essential in their development and in the long run pays ten times its cost. I don't expect that St. John can hope to emulate Boston in that regard, but let me point out a few of the free recreation opportunities which Boston offers to its youth. Here is a recently published list:

Three swimming pools—Admission 15 cents, lessons free.
Ten free public gymnasia—With instruction in all branches of physical education.
Free public shower baths—With hot and cold showers and comfortable dressing closets.
Free golf course in Franklin Park—With small course for beginners.
Excellent tennis courts—At Franklin Park, Franklin Field and Wood Island Park. Many good tennis courts on other grounds.
Franklin Park—With its beautiful drives and walks, its Zoo, including largest bird house in the country and an exceptional collection of bears.
Beautiful aquarium—At Marine Park, City Point. Fine collection of varied species of fish.
Public gardens—With beautiful row margin. For St. Paul's C. Seely at forward and McKay at guard played a good game, while McQuade at forward and Malcolm at guard played a superior game for St. David's. Owing to Clark Somerville's absence St. David's team lost their star man, yet with this team they still put up a hard fight. The lineup was:

REFUSE IMITATIONS.

walks and seasonal floral exhibitions. Arnold Arboretum—With its wonderful collection of trees and shrubs. Olmsted Park—With its beautiful scenery, fine walks, and its children's museum.

Games and Sports.
Basketball—Courts in most of the gymnasiums.
Handball—Finest court in New England at East Boston Gymnasium.
Squash—Can be played in the East Boston handball court.
Football and soccer—Numerous fields throughout the city.
Ice hockey—Many rinks kept in condition during season.
Skating—In many parks and on most playgrounds during season.
Tobogganing—Slide at Franklin Park in season.
"While I am but a newcomer here, yet I want to point out that in my opinion it is time for something to be done along this line, there is a crying need for it, and even though the war engrosses attention, yet the need for physical training of our young men and boys is still as great as ever."

"According to authorities the men at the front who had athletic training previous to joining the army have not only stood the strain and stress of trench life better than untrained men, but they have recovered more rapidly from sickness or wounds. The antagonistic sports and games, such as wrestling, boxing, baseball and football, have been found to be of great value under conditions and their popularity is largely due to the fact that they awaken the primitive fighting instincts that have developed through centuries of contending."

"When our pleasure comes solely from seeing, hearing or reading about athletic games, then we have reached the effete stage and it requires something approximating a war to arouse us to a real sense of our duties and responsibilities. St. John should certainly have some place where open-air recreation could be indulged in and should a movement be started to secure any such facilities those behind it can count on my services at any time. Anything I can do to forward such a movement I will very gladly undertake."
