NEW BRUNSWICK PROPOSES TAXES ON TELEGRAPHS

One Per Cent. on All Receipts Within the Province is Proposed.

GAME ACT IS BEFORE HOUSE

Lieutenant Governor is to Attend This Afternoon to Assist to Some Bills.

Fredericton, N. B., April 11.—The legislature met at 9:30 o'clock to-day after the week-end recess. Hon. Mr. Byrne presented the report of the new committee. He also introduced a bill to amend the Corporations Tax Act of 1920. He said that one of the provisions required every telegraph company to pay into the provincial treasury one per cent of its entire net receipts, collected within the province, and such receipts are to include all monies paid by parties within the province to the head offices of such companies. Another section of the act has to do with taxes imposed under authority of the legislature on banks and other corporations by the cities, towns, and municipalities of the province.

Under this section, it is provided that the houses or corporations of cities, towns and municipalities, shall be more than the sum payable at the time the Provincial Corporations Act was passed. He said that as it is the duty of the province to provide ways and means for carrying on the public services, it was only fair that the authority given municipalities to impose special taxes on corporations should be limited and be exercised with great caution.

Protection of Sheep.
Hon. Mr. Morrison introduced a bill to amend the act for the protection of sheep from dogs. He explained that the bill empowered the municipalities, in cases where the fund was more than sufficient for the purpose, to make use of the same for other purposes. Before doing that, however, it would be necessary to make sure that there was sufficient funds on hand to satisfy all claims under the act. The bill was in line with suggestions made by the Agricultural Committee of the House.

Hon. Mr. Byrne introduced a bill to amend the act relating to the Board of Public Utility Commissioners. It provides that every corporation operating a public utility shall annually make a return to the provincial secretary-treasurer, showing a statement of assets, liabilities, receipts and expenditures. It also provides that in future, copies of orders by the board shall be forwarded to the provincial secretary-treasurer.

House in Committee.
The House then went into committee with Mr. Melanson in the chair, and agreed to bills to amend the act incorporating the Southwest Boom Company, an act to repeal the tolls of the said company, and a bill to incorporate the Port Canada, Docks, Railway.

The committee next went into consideration of a bill relating to several marsh land in the parish of St. John. Mr. Estabrook explained that the bill gave authority to increase to the number of commissioners, to provide for an annual audit and to purchase a machine for carrying on ditching operations.

Mr. Baxter thought that one of the

Had An Annoying Hacking Cough. Got No Rest At Nights.

Hacking coughs are very wearing on the system. The constant coughing disturbs the rest, and keeps the lungs and bronchial tubes in such an irritated and inflamed condition, that unless you get immediate relief, the cough may become settled and serious with great trouble ensue.

There is no better remedy than Dr. Wood's Norway Pine Syrup for relieving all kinds of coughs or colds, coming as it does from the healing virtues of the pine tree with which is combined wild cherry bark, and the soothing and healing expectorant properties of other excellent herbs and barks.

Dr. E. J. Ross, Penhold, Alta. writes: "About three years ago I caught a very bad cold, accompanied with a sore throat and hoarseness. I was so hoarse you could not hear me speak. I could get no rest at night with the terrible annoying hacking cough. I tried several remedies, but they did me no good. I finally saw Dr. Wood's Norway Pine Syrup advertised in a paper. I got a bottle. It at once gave me relief, and after using four of them my cough had all gone. Now I always keep it in the house."

"Dr. Wood's" is put up in a yellow wrapper, three glass bottles for trade price 50c, and six a bottle. Manufactured only by Dr. J. C. Wood, St. John, N. B.

Court of Appeal Cases For Hearing

Fredericton, N. B., April 11.—Sessions Court, Court of Appeal, April session, 1921.

1.—The King vs J. V. Lamborn, ex parte Michael Offman. Mr. J. King Kelley, K. C., for Michael Offman, to support appeal from decision of Sir J. D. Hasse, Chief Justice, in Habeas Corpus proceedings.

2.—The King vs W. Limerick, Police Magistrate, Fredericton, ex parte Clara W. Woods. Mr. P. J. Hughes to show cause against a rule nisi to quash conviction.

3.—The King vs E. F. McLachy, Judge Westport County Court, ex parte Foster Dochena. Mr. E. Allan MacKay to show cause against an order nisi to quash order on review.

4.—The King vs Steve Procopuck, Crown case reserved. The Attorney General for the Crown and Mr. D. Mullin, K. C., for defendant, to argue reserved case.

Appeal Paper, County Court

1.—Eney vs Doody, Mr. D. Mullin, K. C., for defendant, to support appeal from the Saint John County Court.

Controverted Elections

1.—F. M. Anderson vs D. A. Stewart and H. Diotte, Mr. J. B. M. Baxter, K. C., for Stewart and Diotte to support appeal from decision of Mr. Justice M. Barry.

Kings Bench, Division

1.—Fraser vs. McEachern, Mr. J. P. P. Teed for plaintiff, to move to set aside, in part, verdict for defendant, and enter verdict throughout for plaintiff, or for a new trial. Mr. P. J. Hughes for defendant, to support cross appeal for verdict for defendant on all issues.

2.—Bennerson, et al. executors, et al. vs Clarke. Mr. C. F. Inches for defendant, to move to set aside verdict for plaintiffs and enter verdict for defendant, or for a new trial.

3.—Berry vs. Robinson. Mr. M. G. Teed, K. C., for defendant, to move to set aside verdict for plaintiff and enter verdict for defendant.

sections of the bill was not quite clear as to its meaning.

Mr. Faucett said he thought those versed in such matters might offer suggestions with a view to making the bill more workable.

Hon. Mr. Byrne moved that progress be reported.

The committee agreed with amendments to a bill to incorporate Queensown Public Hall, to a bill to amend an act to permit the municipality of Kent to make temporary loans, a bill to authorize the municipality of Albert to effect temporary loans, and a bill relating to fire protection in the parish of Lancaster. The House went into committee with Mr. Hayes in the chair, and took up further consideration of a bill entitled the Game Act, 1921.

Mr. Young asked why the Minister of Lands and Mines wished to have power to cancel licenses at any time. He thought it should be necessary to show cause.

Hon. Mr. Robinson said he believed that the cause would be shown in the case of any cancellation.

Mr. Young: "The license holder might be in the woods and not know that cancellation had been made."

Hon. Mr. Robinson said that if a person must be notified of cancellation before such should go into effect. The section was a new one and he was willing to let it stand for further consideration.

Mr. Young said that there should be no penalty on an employer for an offence against the act committed by an employee, if it could be shown that the consent of the employer had not been given.

Camp Crews.

Hon. Mr. Robinson, speaking to the section making camp foremen responsible for offences committed by members of the camp crews, said that in some parts of the province it was customary for foremen of lumber camps to encourage men employed under them to violate the Game Act.

Hon. Mr. Veniot said that there were foremen who paid extra money to one man selected in each crew to do the killing of game animals.

Hon. Mr. Veniot objected to the section which provided that dead game selected by the Warden be disposed of by public or private sale, and had the word "private" struck out. In regard to the section which gives a warden authority to destroy a dog caught chasing game, it was stated that the provision would not apply to the case of dogs sent by their owners to dislodge game from a grain field.

He wanted to know what had become of the game refuge established in the northern part of the province. Refuge Not Decided.

Hon. Mr. Robinson said that the matter had not yet been decided. The times for the refuge had been run, but it seemed that section was taken in substance of the order-in-council, and there had really been no authority to set it up. It was now his intention to establish another refuge in the southern part of the province, the present one

The Tomerville Trolley that meets all the Trains — 9

POSTAL CLERK AT FREDERICTON UNDER ARREST

Geo. Ferguson is Taken Into Custody on Warrant by P. O. Authorities.

REGISTERED LETTERS HAVE BEEN MISSING

Prisoner is Out on \$8,000 Bail Until April 20 When Trial Begins.

Fredericton, April 11.—Geo. Ferguson, a clerk at the Fredericton post office, was arrested shortly before 9:30 o'clock this afternoon by Patrolman Murray of the police department on a warrant sworn out by Post Office department officials. The arrest followed Ferguson's suspension on Saturday night after he had been grilled for some time by Post Office Inspector H. W. Woods.

Local post office officials declined to make any statement regarding the case. Inspector Woods went to St. John this morning.

Some months ago a registered package containing three letters with money disappeared out of the vault at the post office during a night when Ferguson was clerk in charge of the night staff at the office. Since that time other letters that were registered have disappeared from the post office. Ferguson was released soon after his arrest on \$8,000 bail, his sureties being W. H. Vanwart and Joseph Walker, the case being stood over until April 20th.

had natural boundaries and the expense would be very light. It was bounded on the north by the Oaman River, on the south by Nevers Brook, and on the east by the C. N. R. line. Some of the land was owned by a private individual, but he was anxious to have the refuge established.

Adjourned at 11:40 p.m.

FIRE DAMAGES HOUSE.
Chatham, N. B., April 11.—Fire in the cement residence of Martin Connell caused considerable damage to the walls and plaster of three rooms. The fire is believed to have started from a spark falling from the furnace chimney into soot accumulated in the part partitioned off for the fireplace.

CHATHAM STORE ROBBERED.
Chatham, N. B., April 11.—The tobacco store of Edward Gallivan was entered on Friday night or this morning. About \$70 worth of cigarettes, cigars and package tobacco was taken.

SHIP LOSES PROPELLOR.
St. John's, Nfld., April 11.—The steamer Castle Point, owned by Moore & McCormack of New York, is reported in trouble in the ice fields off the east coast of Newfoundland. The ship is fast in the ice and has lost part of her propeller.

WANTS ALL REPORTS
Ottawa, April 11.—A motion by J. H. Sinclair, (Antigonish-Guysboro) for the production of all papers regarding the taking over and operating of the Dalton Shantaring was carried in the House this afternoon.

BOOTLEGGING IS FINED
Fredericton, N. B., April 11.—Robert Campbell, who recently removed here from Nova Scotia, was arrested on Saturday on a bootlegging charge. He pleaded guilty and was fined \$100 or three months in jail.

Liquor Commission Working By May 1

First Supply Likely to be Received from Wholesale Vendors in St. John.

Fredericton, N. B., April 11.—Hon. J. F. Tweeddale, chairman of the New Brunswick prohibition commission, is here and has called the organization meeting of the commission for tomorrow. Today he predicted that the commission would be functioning in the wholesale distribution of liquor in this province by May 1. Providing warehouses and office accommodations and the organization of a staff will be the first matters considered. A proposal has been made that permission to use the military barracks at the corner of Carleton and Queen streets, not now in use as such, might be obtained from the Federal Government.

The first supply of liquors the commission will handle will be secured from the wholesaler vendors at Saint John, whose stocks, Mr. Tweeddale said, would be taken over under provisions of the act.

Later on direct importations from overseas will be undertaken. The commission will also use liquor secured through seizures for distribution purposes and will have a considerable quantity now stored in the Government buildings available at the outset.

Restigouche Appeal To Begin At Once

Court of Appeal Will Start Its Sittings at Fredericton This Morning.

Fredericton, N. B., April 11.—The Easter term of the New Brunswick court of appeal will open here tomorrow morning. There is about the usual docket, it was said today, the case of most public interest being the appeal from the decision of Mr. Justice Barry in the Restigouche county election petition case in which the election of Messrs. Stewart and Diotte, the opposition candidates, was declared illegal because of irregularities in the manner in which the sheriff had conducted the election. At the opening of the Legislature an attempt was made to have Stewart and Diotte sworn in as members for Restigouche, but was unsuccessful.

WANTS ALL REPORTS
Ottawa, April 11.—A motion by J. H. Sinclair, (Antigonish-Guysboro) for the production of all papers regarding the taking over and operating of the Dalton Shantaring was carried in the House this afternoon.

Castle Point Is Clear of Floes

Vessel in Peril off Newfoundland is Free from Ice Onice More.

New York, April 11.—The freight steamer Castle Point, previously reported caught in the ice off the coast of Newfoundland, has worked clear and is on her way to St. John's, Moore & McCormack, her agents here have been advised. The coast guard cutter Terra Nova went to her assistance.

LUMBER DRIVE HELD UP

Fredericton, N. B., April 11.—Several lumber drives on small streams in this vicinity, have been hung up and abandoned for the present. Two new ones on her way to St. John's, Moore & McCormack, her agents here have been advised. The coast guard cutter Terra Nova went to her assistance.

MISSIONARY TO CHINA

Fredericton, N. B., April 11.—Dr. Kenneth A. Baird of this city has been accepted by the foreign mission board of the Presbyterian Church for service abroad, and has been assigned for work at North Honan, China. He and his wife will leave Fredericton about May 1. He was graduated by U. N. B. in 1914.

ACHES AND PAINS—SLOAN'S GETS 'EM!

Famous pain and ache Liniment kept handy, brings warming, gratifying relief.
RHEUMATIC twinges ease up soon. So do stiff joints, lame back, neuralgia, overtaxed muscles, and those pains from weather exposure, too—they don't fight long against the counter-irritation that Sloan's Liniment produces.
Always keep this old family friend handy for instant use—Etila penetrates without rubbing, leaving no skin stings, rashes, or clogged pores. Its very odor—fresh and stimulating—suggests the good it will do.
All druggists. Three sizes—35c, 70c, \$1.40. Largest size is most economical.

A Campaign to Protect You in Buying Your Watch

RALPH WALDO EMERSON, more than fifty years ago, speaking in one of his essays of a distinguished man, said: "He is put together like a Waltham Watch."

This remarkable tribute to Waltham greatness is the result of the genius of many men whose inventive faculties have been concentrated for nearly three-quarters of a century to make it the wonderful time-keeping device it is.

The buying of a watch is an investment in time-keeping. And time is the most valuable possession of man.

You purchase a watch for one thing—to keep correct time for you—to tell it to you with dependability at any moment of the day or night.

A good watch, therefore, must have something more than good looks—it must have good "works."

Millions of people imagine that the "hand-made" watch is the "best"—or, at any rate, that its works are superior.

Yet, at the great Expositions, the watches of the world's other leading manufacturers have invariably been defeated by Waltham.

In a series of advertisements we are going to show that there is a watch made completely by one factory organization whose time-keeping mechanism is more trustworthy than any "hand-made" watch can be.

A watch that is easily and economically repaired because its parts are standardized.

A watch that represents origination and leadership in mechanical skill.

A watch that has revolutionized the art of watch making and assured accurate and dependable time-keeping.

We are going to take you through the "works" of a Waltham—lay bare those hidden superiorities which have led the horological experts of the greatest nations to choose Waltham as the watch for the use of their government railroads.

Deane H. Church, famous inventor who filled the great shops at Waltham, Massachusetts, with exclusive watch-making machinery that performs miracles of accurate and delicate work which the human hand could never equal.

When you have finished reading these advertisements, which will appear regularly in this publication, you will walk up to your jeweler's counter and ask for the watch you want—because you will know how it is built and why it is superior to any other watch.

Look for these advertisements. Read them.
