

LIBERAL GAINS ALL OVER PROVINCE AND DOMINION

IT'S THE SAME THING ALL THROUGH  
NEW BRUNSWICK---LIBERAL VICTORY

Counties Send in Reports of Gains All Along the Line

Hon. W. P. Jones Says Carvell Will Beat Smith in Carleton by 400--Conservatives Drop Crocket and Support Brown--Hazan and Corps of Speakers in Desperate Effort to Save Wilmot.

That F. B. Carvell, the Liberal candidate for Carleton County, will again represent that constituency at Ottawa after the election on October 26, and that his majority over his opponent will be not less than 400, is the opinion expressed by Hon. W. P. Jones, of Woodstock, who was in the city Tuesday.

"There is no doubt whatever about the result," said Mr. Jones. "The Conservative candidate, B. Frank Smith, I think, is very much deceived about the county. A great many are of the opinion that he can defeat Carvell on the result of the provincial election. Such, however, is not the case. The local election there turned on two questions, almost altogether, one was the road law, which was very unsatisfactory, and the other was the local matter affecting the upper end of the county, the question of the location of a bridge across the St. John river. The provincial government had located it at one point and the people in other localities were dissatisfied.

"The local election was no test of the standing of the two parties on dominion issues, at all. Now Mr. Smith finds that the Liberals who supported him last March are swinging into the Liberal ranks because the provincial government have not carried out its promise to hand over the administration of the highways to the municipalities, but instead have tried to remedy it by appointing parish boards with their own chairman, and by increasing the road tax. Not only is he losing the Liberals who voted for him last March, but also a great many Conservatives for the same reasons.

"The other question, which is not an issue now except as showing the insincerity of Mr. Smith's promises that he would locate the bridge and have it constructed. The former government had decided on Bath for its location and Smith intimated that he would locate it at a point farther up, but he is carefully not to define the exact place until after the election and the people think the government will never build it.

"A great many of the independent Conservatives of the county believe that Smith should not have resigned his seat in the legislature as they look upon it as a disgrace. Carvell, the result of this is that the mass of independent electors are favorable to Carvell because they recognize that in the county he is the best representative at Ottawa, that it ever had. He is a clean, capable man and I have no doubt that his majority will be a decided gain over the 1904 election when he had 274 votes more than F. H. Hale. I think this time he should have not less than 400 of a majority. He is making a strong personal canvass and feels confident of success. Meetings are being held every night and there is great enthusiasm.

Turn Against Crocket; Will Vote for Brown.

"Regarding the contest in York, Mr. Jones said he knew that the Liberal candidate of the county, Brown is very strong. The same influences are at work there as in Carleton county. The new road law is generally condemned and there is a good deal of sympathy for Brown who was ousted from his position by the Hazan government. He is well known and respected, is of a social disposition, a pleasant man to meet, a good campaigner and a good canvasser. "In one section alone," said Mr. Jones, "I know of fifteen

Sin Against Health

Why the Usefulness of All Organs is Destroyed by Costly...

Most important to health and comfort is proper action of the bowels.

By the nature these organs are intended for the removal of the waste particles of matter which accumulate in the system.

Retain them, waste and you poison the blood, sin against health and nervousness and anemia.

Nothing so common as to overcome by Dr. Hamilton's Pills, which establish regularity that is exactly consistent with nature.

Not a drastic purgative--not even a pain or sensation of grip, because Dr. Hamilton's Pills are vegetable and free from irritating mineral substances found in so many widely advertised remedies.

In every case Dr. Hamilton's Pills do cure and bring sure relief from headache, biliousness and other manifestations of constipation.

Dr. J. M. McConnell, of Wallerton writes: "Since I was comparatively a young man I have not enjoyed real good health."

"My appetite was good and strength kept up, yet I knew something was wrong. Frequently I took bilious attacks and violent headaches. My stomach was disordered, skin was murky, under my eyes were heavy dark rings."

"Last winter I read through the 'Poultner's Almanac' and decided my trouble was constipation. I used Dr. Hamilton's Pills, and can hardly tell the help they have been. I am now as fresh, strong and well as a boy."

Just try the wonderful magic of Dr. Hamilton's Pills. Sold by all dealers, 25c per box, or five boxes for \$1.00. By mail from N. C. Polson & Co., Hartford, Conn., U. S. A., or Kingston, Ont.

HERE ARE TWO GOOD MEN TO VOTE FOR

Frank B. Carvell, Liberal Candidate in Carleton.

Nelson W. Brown, York's Liberal Candidate.

Conservatives who formerly supported Crocket, who will this time vote for Brown, and in another section I know of eighteen who will transfer their support to Carvell and many are of the opinion that Crocket has done nothing for the county and is discouraged. He is now telling his friends that he will pull a big vote even if not elected. He is fighting in a lost cause.

Chipman, Oct. 6--(Special)--An enthusiastic meeting of the Young Liberals Club was held here last evening at which Mr. H. H. McLean and Senator King delivered addresses. R. D. Richardson, the president, was in the chair. The hall was filled to overflowing and nearly all in the audience were voters. Chipman can be counted on to give a large Liberal majority.

Reports from other sections received here are most encouraging and Liberal gains are being made in every parish. The fact that Premier Hazan has called his western tour and is devoting all his energies in an attempt to save Quebec and Sunbury is in itself significant. The speaker paid a high tribute to James Reid, M.P., the Liberal representative of this county. He said that in Mr. Reid the county had the best man who could choose. He advised the electors to do their duty to their county and give Mr. Reid a rousing majority.

Enthusiasm on the North Shore.

Campbellton, N. B., Oct. 6 (Special)--W. S. Loggie was giving a rousing reception last night in Murray Hall, when he spoke on the issues of the campaign. The hall was filled with a large gathering of citizens who showed the confidence they repose in the party of progress. The speaker paid a high tribute to James Reid, M.P., the Liberal representative of this county. He said that in Mr. Reid the county had the best man who could choose. He advised the electors to do their duty to their county and give Mr. Reid a rousing majority.

More Like McAlister Every Day Now.

Sussex, N. B., Oct. 6 (Special)--D. H. McAlister, M.D., Liberal candidate for Kings-Albert, was in Havlock yesterday, where he met a large number of friends and supporters, at an agricultural fair that was being held there. Dr. McAlister is one of the very best Liberal canvassers that Kings county has ever known.

It used to be said of Senator Domville that he knew every man, woman and child in Kings county. It was quite true that he had a wonderful acquaintance, and on Monday night there was no doubt whatever that he knew every man, woman and child in Kings county. It was quite true that he had a wonderful acquaintance, and on Monday night there was no doubt whatever that he knew every man, woman and child in Kings county.

The reports from Havlock are that the Liberal vote will be much larger than usual. Dr. McAlister is well known in that parish as well as in all the other sections in the upper and middle part of Kings county, and the kindly feelings entertained for him will do much to increase his vote.

The attitude taken by his brother physician, Dr. Pearson, of Sussex, will furnish an example to scores of his friends, who may be inclined to place their political before their personal feelings. It is no secret in the upper end of Kings county particularly, that many of the opponents of Dr. McAlister would be glad to see him elected.

Tomorrow night Hon. H. C. McKeown, of St. John, and Hon. C. J. O'Meara, of Hillsboro, will address a meeting at Upham. On Friday evening A. B. Copp, M. P., and Hon. Mr. Osman will address a meeting in the Agricultural Hall in Hampton Village, and on Saturday evening Mr. Copp and Senator Domville will speak at Norton Station in the large hall there.

Energetic organization meetings are being held every evening all over the county and the prospects of Dr. McAlister's election are brighter than they have ever been. Right here in the home of both candidates, it is confidently believed that Dr. McAlister will have a large majority.

Carvell Sure in Carleton.

Woodstock, N. B., Oct. 6--(Special)--F. B. Carvell, M.P., is meeting with a most encouraging reception all over the county. Last night he and Ald. Dugan spoke to a big crowd at Watson Settlement and created an excellent impression. Tonight the candidate will be at Bloomfield.

Hon. W. P. Jones, Ald. Thorne, Dr. Grant, Dr. Kirkpatrick and Geo. W. Upham addressed a big rally at Pembroke

last evening and tonight the latter four are speaking at Lower Brighton. Mr. Carvell and Hon. Mr. Jones, will speak on Saturday night at Bath, at a grand week end rally. Carvell's election is beyond peradventure.

Tide Turned Against Ganong.

St. George, N.B., Oct. 6--(Special)--Liberal prospects are growing brighter every day. G. W. Ganong and Judge Cockburn held a meeting at Beaver harbor last night. Three quarters of the audience were Liberals and many left the hall disgusted with the scandalous harangue of the speakers. Ganong is a past master at the style of oratory, but he has reached the limit in Charlotte and the county will undoubtedly go solid for Todd.

Hearty for Loggie in Douglasfield.

Chatham, Oct. 6--W. S. Loggie, M.P., addressed an enthusiastic meeting at Douglasfield last night, and will speak at Barnaby River on Wednesday.

Wedding in Chatham.

Chatham, N.B., Oct. 6--The marriage of Belle J. Hutchinson, daughter of Mr. and Mrs. Ernest Hutchinson, to Hugh G. Moncrieff, formerly of St. John's (Nfld.), but now of Winnipeg, took place tonight. Rev. F. C. Simpson, of Douglasstown, officiating. A feature of the ceremony was the attendance of Hon. Allan A. Ritchie, of Newcastle, and Mr. L. J. Tweeddale, when Mr. and Mrs. Ernest Hutchinson were married. Mr. Ritchie was the best man, and Mrs. Tweeddale, at that time Miss Agie London, was bridesmaid. Many beautiful gifts testify to the esteem and popularity of the bride.

Mr. and Mrs. S. H. Sherwood and family, of Passages, wish to extend heartfelt thanks to their friends for the many kind presents and expressions of love during their recent sad bereavement.

PEARSON SPEAKS AT FINE RALLY

At Rousing Meeting, Sussex Doctor Declares Again His Support for McAlister

HITS AT FOWLER

Says Change of Only 175 Votes Means Victory for Liberals, and Sussex Parish Will Give Half--F. E. Sharp and C. J. Osman Heard--Effective Organization Work.

Sussex, Oct. 6--(Special)--There was a large and enthusiastic gathering of Liberals at the Upper Corner tonight to organize for the campaign. The Liberal organizer, E. S. Carter, was present, and in a short time completed his work of organization. E. O. McNairy was elected president of the Liberal club, and William Upham, vice-president for that section, Joseph Lynch for Jeffries Corner, Wesley McFarlane for Markhamville, John Cother for New Line Road, Martin Dunn for Wards Creek, and Peter McGuinn for Mill Brook. E. W. Watt was elected secretary and the other members of the committee included Hugh R. Monagle, King McFarlane, James Doherty, James Hayes, Thomas Bolan, Wm. J. Beckford, Ritchie Price, Owen Regan, and Samuel Sullivan.

Hon. C. J. Osman addressed the gathering and told in an interesting manner how successful a campaign Dr. McAlister was conducting in Albert and the splendid reception he was meeting with in every quarter of the county. There was not the slightest doubt, the speaker said, amid vigorous applause, that the Liberal candidate would come out of Albert with flying colors.

Dr. Sharp spoke vigorously upon some of the issues of the campaign and gave the new Sussex committee an idea of the great success the Liberal party was meeting with in every part of Kings county. He was given a cordial reception and all were very interested in the successful reports made by the speaker.

Dr. Pearson in a stirring speech.

At the conclusion of Mr. Sharp's speech Dr. Pearson, who had just arrived, was given a rousing reception, which was repeated when he began to address the electors. After thanking them for their hearty reception, Dr. Pearson referred briefly to the construction of the Grand Trunk Pacific. Since then he had changed his views and now he believed it was the greatest undertaking Canada has ever seen. He pointed out that the road was opening up the centre of the province and thought it a most fortunate thing that the Conservative party had not gained power four years ago for that would have meant that the construction of the road and the development of the province would have been kept back for many years.

It would be a disaster to the country if the Conservatives were given power at this stage and he would do the best he could to keep them in opposition. A British Columbia newspaper wanted the Conservatives to gain power, giving as one reason that they would then be twelve cents a dozen. How would the farmers of New Brunswick like that? He believed Dr. McAlister would be elected. It meant a change of only 175 votes and he would get half of them in the parish of Sussex.

This remark was greeted with tremendous applause. He hoped that the campaign would be free from personalities, but if the Conservatives began to throw mud he would show them he could throw mud also. He had been a personal and political friend of Mr. Fowler but he did not like his course in parliament. He did not believe it was right for him to accept a retainer from the big railway corporations in the form of a tip on a railway location. He believed that such a retainer should stand clear and clear, and be in a position to veto the demands of these great railway corporations. After thanking the electors for their cordial reception, Dr. Pearson concluded amid great applause.

Mr. Osman then told the meeting how he had once been in Dr. Pearson's position, a member of the Conservative party, and he knew how difficult it was to stand up and be honest and courageous as Dr. Pearson had been tonight. He explained the persecution that had forced him from the Conservative party. "Then," he said, "I became a Liberal and, turning to Dr. Pearson and shaking hands with him, I congratulate you, sir, upon your courage and course." Prolonged cheering followed and the meeting broke up in enthusiastic fashion with cheers for McAlister, Pearson, Albert county and Mr. Osman, Sir Wilfrid Laurier and the King.

EMMERSON AND McALISTER HEARD BY RECORD CROWD AT HAVELOCK

Petitcodiac, Oct. 6--The largest political meeting ever held at Havelock took place tonight, when Dr. McAlister and Hon. H. R. Emmerson, Liberal candidates for Kings-Albert and Westmorland were the speakers. There were about 600 people, about 200 standing, and scores who could not get standing room.

Dr. McAlister spoke first, referring to the accession of Dr. Pearson to the Liberal party. J. T. Hawke then spoke for over an hour on the general issues, and especially dealing with the Independent Order of Foresters.

Hon. Mr. Emmerson followed with a great speech, dealing principally with the Intercolonial and the branch lines. The meeting then broke up with cheers for the King, Laurier, and the candidate.

The size of the meeting surprised everyone, and the public feeling is seen to be strongly in favor of the Liberal cause.

BULGARIAN MINISTER SAYS JUST WHY THEY DID IT

Not Aggressive in Declaring Independence, But Claims They Merely Made Formal a Position Which Already Existed--Incidents Which Led to Declaration.

M. Proprikoff, the Bulgarian minister of foreign affairs, has sent a cable despatch to the Associated Press giving an authoritative explanation of the Bulgarian situation which is now absorbing the attention of Europe and the world at large. The despatch is in reply to a cablegram requesting M. Proprikoff to send an official statement of the facts. His answer dated today at the ancient capital of Bulgaria is as follows:

"Tirnov, Bulgaria, Oct. 6--Pursuant to the treaty of Berlin, Bulgaria has been a principality, tributary to Turkey. Many years ago Bulgaria acquired the right to have diplomatic representatives accredited to all the great powers. She maintained such a representative at Constantinople. Until recently, the diplomatic representative of Bulgaria to Turkey was invited, with the other members of the diplomatic corps in Constantinople, to all official ceremonies, receptions and dinners.

"On the 12th of last September, the occasion being the anniversary of the Sultan's birthday, the Turkish minister of foreign affairs, gave a dinner to the diplomatic corps, to which the diplomatic representative of Bulgaria was not invited. Steps were at once taken to secure an explanation of this neglect. The Ottoman government replied that the Bulgarian representative had no right to expect an invitation to this diplomatic dinner, as Bulgaria was a vassal state of Turkey.

"There then followed a diplomatic conflict between Bulgaria and Turkey. Bulgaria considered that Turkey was not respecting the rights acquired by her and she desired to defend these rights. This was the first incident.

"The Oriental R.R. Company operates 300 kilometers (186 miles) of line in Bulgarian territory. The same company operates also about 1,000 kilometers (621 miles) of line in Turkish territory. A recent article on the property of the Oriental R.R. Company in Turkey spread at the same time to Bulgarian territory. The strike was decided upon and directed from outside Bulgaria. Following an understanding with the representative of the Oriental R.R. Company, the Bulgarian government took over temporarily the running of the road. The strike, however, spread until the national security of Bulgaria was threatened and the people became discontented with the state of affairs.

"It then became the duty of the Bulgarian government to continue running the road and we asked the company to sell us its rights in Bulgaria, in accordance with an understanding reached between the government and the company ten years ago. Turkey then pretended that the line was her property and in a note the Turkish government demanded that the line be returned to the company. The Bulgarian government replied that it would treat only with the company. This was the second conflict.

"This situation imposed upon the Bulgarian government the necessity of fixing definitely the relations between the principality and Turkey. The new regime in Turkey made it imperative for Bulgaria to maintain the best of relations with her neighbors, especially as the fictitious condition of vassalage created feelings of suspicion and distrust which might at any moment result in disturbing the peace of the Balkans.

"Bulgaria understood clearly that Austria-Hungary soon would annex the occupied provinces of Bosnia and Herzegovina and the general situation was such that Bulgaria was obliged without delay to declare her complete independence.

"Consequently yesterday, October 5, Bulgaria was proclaimed an independent kingdom and Prince Ferdinand accepted the title of King of Bulgaria. This act was communicated to all the great powers by proclamations declaring that Bulgaria was independent. Bulgaria has no aggressive aims. She has given regular form to a situation that already existed de facto.

"Vienna, Oct. 6--The proclamation of Emperor Francis Joseph will be issued tomorrow declaring that the Austro-Hungarian rights of sovereignty and succession have been extended over Bosnia and Herzegovina. The new imperial provinces will be informed in the proclamation that they will be given a constitution and a special Diet.

Formidable Opponent To Ames Nominated.

Montreal, Oct. 6--(Special)--The Liberals in convention tonight nominated R. C. Smith, K.C., a prominent Montreal lawyer, to oppose Mr. Ames in St. Antoine, the only Montreal division to elect a Conservative at the last general election.

The Liberal campaign in Montreal and the immediate vicinity has been somewhat slow in getting under way, but those on the inside have all along predicted that when it did begin it would go with a rush. This prediction has been amply verified. The nominations, particularly that in St. Antoine, have altered the feeling of Liberals about the campaign here, while the news from St. Lawrence has in the past few days, since the Liberal workers buckled down, been of a kind to reassure Mr. Bickerdie's friends on the score of possible losses due to his absence.

Mr. Smith's candidature in St. Antoine is an exceedingly strong one. Senior member of the firm of Smith, Markey & Montgomery, he has for years held a position at the Montreal bar, which may have admitted of rivals, but acknowledged no superiors. But he is not merely a brilliant lawyer and pleader, he is a sympathetic personality known to everybody who has ever come into contact with him as "Bob" Smith's friend, which has been due, not to any indignity, but to the genuine affection and kindness universally felt towards him.

THEIR OWN M. P.'S SAID SO IN HOUSE AT LAST SESSION.

Despatches from All Parts of Upper Canada Point to Grand Liberal Sweep--Strong Man Out Against Ames in St. Antoine.

Ottawa, Oct. 6--A political demonstration in which it is expected 10,000 people will participate, will mark Sir Wilfrid Laurier's speech of acceptance of the Liberal nomination for Ottawa, in the arena here, on October 17. This will be double the number which turned out last night to cheer for the Conservative leader.

The prime minister will spend a few days in the capital, beginning on Saturday, October 17. He requested that the local Liberals arrange the public meeting for Saturday evening, which was done. In order to secure the largest auditorium in the city, a bazaar fixed to open there on October 18, was postponed.

At last night's Conservative meeting, P. B. Ross, editor of the Ottawa Journal, which is now more Conservative than any ordinary Tory paper, charged that H. B. McGivern, the Liberal candidate for Ottawa, had a rake-off of \$1,000 for acting as a middleman in a sale of property for the government. Like most other Tory scandals, this statement goes until the other side is heard. McGivern wrote an open letter to the press in which he says: "In July of 1904, the then minister of public works sent for me and said that the government wished to purchase the Harris Campbell and Boyden property at the corner of Queen and O'Connor streets, in this city, which was sold under a mortgage. He explained to me that the government had made inquiries about the property, but that the vendors were asking too high a price for the government, namely, \$50,000.

"My partner and I attended the auction sale, supposedly acting for other clients. There were no bids made and the sale was called off, and the property remained in the hands of the master of the high court at Ottawa. We were consulted with the liquidator for purchase of the property and finally put in a bid for \$40,000. We continued for some days discussing the bid with the master and directed from outside Bulgaria. Following an understanding with the representative of the Oriental R. R. Company, the Bulgarian government took over temporarily the running of the road. The strike, however, spread until the national security of Bulgaria was threatened and the people became discontented with the state of affairs.

HIGH TONE OF FIELDING MEETING IN KINGSTON

Kingston, Ont., Oct. 6 (Special)--Tonight Hon. W. S. Fielding, who is nearing the conclusion of his Ontario tour, was joined by the new secretary of state, Hon. Charles Murphy, at a meeting in the interests of Hon. Wm. Hart, Liberal candidate in this city. Their joint efforts proved unusually successful, and in recent years Kinging has never had a political meeting higher in general character of argument advanced, nor one in which there was a better demonstration of party loyalty.

The minister of finance repeated his cheery story of Canada's progress under Liberal guidance, the Opera House rang with cheers. Mr. Fielding was in an excellent argumentative mood, not withstanding his strenuous exertion of the past few days in Ontario.

Hon. Mr. Murphy created an excellent impression and he brought out a number of new interesting facts regarding the government's immigration policy.
