MESSES. R. C. MARCESON & Co.—Gentlemen.
I have been afflicted with gravel and stone upwards of a year and a half-tried everything I could hear of for its relief, without avail; saw your advertisement of CALCULIFUGE in the Halifax papers—took three bottles according to directions, and in the short space of four weeks mentirely cured. I willingly add my testimony to its value, and heartily recommend it to all afflicted as I have been.
