Although the weather was anything but favorable, the attendance at the Apron and Baking Sale held under the auspices of the Ladies' Auxiliary of the Lutheran Seminary in the surple afternoon and evening was larged attended. The affair opened on Thursday and during the three days the crowds have been most gratifying. The ladies of St. John's Lutheran Church, Waterloo, were the hostesses on Saturelay. The hearty response of the citizens of the Twin City is indeed most gratifying to the ladies having the affair in hand.

# "There Is No Place Like Home"

How often have these words warmed and thrilled our hearts as we listened to them quoted by some great orators or sung by some leading singers of the land. The words touch a chord within each one of us that vibrates each time we listen to the words. What makes a home? This might be a debatable question, but we believe that one of the greatest factors in making a home, is attractive comfortable furniture, the kind we sell in our store.

Every home-maker appreciates the effect a nicely furnished home has on the members of the family, or friends. There is more home-like furniture to-day than there has ever been in the past. Come into our store and let us show you/this class of furniture
