

McClary's Kootenay

TOP, bottom and all four sides of the Kootenay oven are evenly heated. That is why it is so famous as a dependable baker. There is a thermometer, too, to tell whether the heat is right or not.

No range is quite so easily managed. Duplex grates clear the ashes at a single turn. Burnished cooking-top never needs blacklead. Nickeled steel oven walls are kept clean with a damp cloth. Well-fitted joints and dampers hold the fire—and the oven heat—for hours.

Let us show you the Kootenay.

In a small village in Ireland the mother of a soldier met the village priest, who asked her if she had had bad news.

"Shure I have," said she, "Pat has been killed."

"Oh! I am very sorry," said the priest. "Did you receive word from the war office?"

"No, I received word from Pat himself."

The Priest looked perplexed and said: "But, how is that?"

"Shure," she said, "here is the letter."

He looked at it and he read: "Dear mother, I am now in the Holy Land."
