LIFE AND TEACHINGS OF CHRIST.

By the Four Evangelists with
Introduction by Canon Farrar.

This is a continuous narrative of the life and teaching of Christ as given by Matthew, Mark, Luke and John. An English Scholar has taken from each account, WITHOUT ALTERING A SINGLE WORD OF THE DISCIPLE'S STORY, the story of that period of our Lord's life which was most complete, and has in this way produced a fuller account than is supplied by any one of the Gospels. The many striking photographs of the sacred places of Palestine add to the interest and reality of the presentation.
