

## The International Printing Trades' Directory.

### A Cheap Mode of keeping Names and Addresses constantly before the Trade.

In order to accommodate our readers and save ourselves much valuable time in letter-writing, we have been induced to inaugurate THE PRINTING TRADES' DIRECTORY, in connection with *The Printer's Miscellany*. The DIRECTORY will be published in the *Miscellany* every month, and will thus be a handy monthly reference for those wishing the names and addresses of manufacturers of and dealers in materials for Printing and kindred arts. Scarcely a month elapses that we do not receive scores of letters asking the name and address of some firm in connection with Printing. It is impossible, with the time at our disposal, to answer a tithe of the communications asking the above information; and, in order to meet this demand, we offer those particularly interested the medium of the DIRECTORY for a nominal sum—enough to cover expenses only. Remember, this DIRECTORY is published every month in the *Miscellany*, which has a circulation, at present, of over 2,000 copies, and goes to every printing office, bookbindery, etc., in Canada and Newfoundland, besides having a large and rapidly increasing circulation in the United States. It also circulates extensively in Great Britain, France, West India Islands, Australia, New Zealand, New South Wales, South America, and Africa.

**RATES FOR THE DIRECTORY.**—Inserting Name and Address under one heading 25 cents per month, or \$3.00 per year. Extra matter after Name and Address, giving details of business, 15 cents per line per month additional. New Headings will be inserted when desired.
