Editor's Talk

MANY compliments have reached the office concerning last week's paper. This week we present a bill of fare which should be fully as attractive. Mr. Heming's drawing is the second of a series of four depicting the outdoor life which Canadian women may and do enjoy. After this series is completed, there will be some drawings of seasonable sport. We are pleased to know that our readers appreciate Mr. Heming's magnificent portrayals of "life in the open."

THE story by Mr. and Mrs. McFarlane is good and also unique. Mr. McFarlane is to be a regular contributor in future. The story by J. J. Bell, author of "Wee McGregor," is in an unusual vein for this celebrated British novelist.
