From : Secretary to Governor General

C190091

To : High Commission, Canada House, London.

Ottawa, April 27, 1940.

Following for Lord Athlone.

O'Connor most grateful for your kind offer and would be willing accept appointment as principal Aide-de-Camp if his seniority on staff could be next to Governor General's Secretary in view of fact that he has nineteen years service at Government House and thirty-one years in Army. As O'Connor may want to retire in two years suggest it would be most useful if Sherwood could continue to understudy him.
