

CHAPTER II

SCOPE

Article II

Each Contracting Party undertakes to grant temporary admission to:

- (a) scientific equipment which is to be used within its territory solely for purposes of scientific research or education;
- (b) spare parts for scientific equipment which has been granted temporary admission under paragraph (a) of this Article;
- (c) tools specially designed for the maintenance, checking, gauging or repair of scientific equipment which is used within its territory solely for purposes of scientific research or education.

Article III

Temporary admission of the scientific equipment, spare parts and tools may be made subject to the following conditions:

- (a) that they are imported by approved institutions and used under their control and responsibility;
- (b) that they are used for non-commercial purposes within the country of importation;
- (c) that they are imported in reasonable quantities having regard to the purpose of the importation;
- (d) that they are capable of identification on re-exportation;
- (e) that while they are in the country of importation they remain in the ownership of a natural person resident abroad or a legal person established abroad.

Article IV

Each Contracting Party may suspend, in whole or in part, the undertakings given under this Convention where goods of equivalent scientific value to the scientific equipment or spare parts whose temporary admission is sought are produced and available in the country of importation.

CHAPTER III

SPECIAL PROVISIONS

Article V

Each Contracting Party undertakes wherever it deems it possible not to require security for the amount of import duties and taxes, but to be satisfied with a written undertaking. Such undertaking may be required for each importation or on a general basis for a specified period or, where applicable, for the period of approval of the institution.
