

DODD'S MEDICAL HALL

DODD'S CORNER
101 QUEEN ST.

This Drug Establishment was opened December 1871. During the Twenty-two years which has elapsed, it has been under the same management and the liberal patronage extended to it by the public during this period is a positive and exceedingly gratifying guarantee that the *quality of*

DRUGS & CHEMICALS

the *Purity and Genuiness* of the medicines, and the **CLOSE** and **CAREFUL ATTENTION** which has been always given the **PRESCRIPTION DEPARTMENT**, as well as the best and well selected variety of sundries and smokers' necessities we have universally kept on hand, has been duly appreciated by them. In the future as in the past it will be our chief aim to cater to an appreciative public.

Thanking all for their past favors and kindly asking a further continuance of them

Respectfully yours

S. W. DODD
