"THE BEST AGRICULTURAL JOURNAL IN CANADA."

22ND YEAR OF PUBLICATION.

The FARMER'S ADVOCATE and HOME MAGAZINE.

NOW IS THE TIME TO SUBSCRIBE.

It has done more to furnish the best information in regard to Stock, Seed, Implements, the Farm, Dairy, Poultry, Apiary, Orchard, &c., &c., than any other publication.

It has done more to prevent the introduction and spread of Contagious Diseases in Farm Stock in Canada than any other publication.

THE LEADING AGRICULTURAL PAPER IN CANADA.

It has exposed more frauds and deceptions practiced on farmers than any other publication.

It is the only independent agricultural periodical. Its course has been to arouse more patriotism and less partyism among our people.

Full accounts of the Dominion Farmers' Council will be given in its columns.

Combined with the HOME MAGAZINE, it is considered the best instructor and educator for the farmer and his family, and contains each month valuable information on all household matters.

It has been continually improved since its inception, and greater changes and improvements will be made during the coming year, 1887.
