STOCK GOSSIP.

A₹ In writing to advertisers please mention the Farmer's Advocate.

Mr. Joseph Cairns, Camlachie, Ont., in this issue offers four Hereford females at a bargain. All are young and of good quality. See advertisement

Mr. John Geary, London, Ont., recently sold to Wallace Patrick, Ionia, Michigan, two registered Lincoln sheep—a ram and an aged ewe; the former is a very promising animal. Both are finely bred and are registered in the Canadian Sheep Record, where nothing but pure-bred animals are received.

pure-bred animals are received.

We recently paid a visit to one of Mr. Joseph Stratford's magnificently appointed farms near Brantford, and were very much pleased with the order and system displayed in the management. He reports a good sale this season for Dorset-Horned and Shropshire lambs, while Chester White pigs with his customers are growing in favor. His herd of Jerseys and Holsteins are very fine, the former being a portion of the output of the original Valency Fuller stock.

Fuller stock.

In a business letter written under date Dec. 6th, 1892, Mr. H. H. Spencer, Brooklin, states that he intends holding an auction sale of registered Clydesdale mares, pure-bred Shorthorns, also Grade Shorthorns and pure-bred Shropshire sheep, of which further information may be obtained by consulting our advertising columns. He further adds that stock of all kinds are in a flourishing condition, having come in from pastures in good heart, and that calves are already coming and that lambs will be expected shortly.

be expected shortly.

J. D. McGregor & Co., of Brandon, write us as follows regarding their recent importation of Tamworth hogs:—"We are already receiving numerous enquiries for our pigs. We have our six sows safely in pig. One of our boars, Plymouth Brother, is a full brother to Plymouth Queen, the sow that won first at the Royal Show at Plymouth, at the Norfolk Show at Yarmouth, and at the Great Yorkshire at Harrogate. Three of the sows have been prizewinners at several of the leading shows." They also report that their horses are doing nicely, and they confidently anticipate a lively trade this spring, especially in Cleveland Bays and Yorkshire Coach Horses.

Mr. Dan Reed, Glanford, Ont., writes:

Yorkshire Coach Horses.

Mr. Dan Reed, Glanford, Ont., writes:

—"I have found the demand for Leicesters, Yorkshires and Poland Chinas quite active this fall. Have sold all my pigs that were old enough for breeding, but have some nice young ones that will soon be old enough to ship. The following is a partial list of sales recently made:—One boar to Seymour Salls, Clarenceville, P. Q.; one boar to Turner Sine; Sine, Onty one boar, and sow in farrow, to Henry Reed, Mimosa, Ont.; one sow to Thos. Macklim, Hamilton, Ont.; two sows to Mr. Wickett, Toronto; one ram lambto each of the following:—R. W. Bannan, Spencerville, Ont.; Wm. Barr, Cromarty, Ont.; Wm. Jerome, Glanford, Ont.; Thos. Macklim, Barton, Ont.; Mr. Smith, Hagersville; J. Reed, Glanford Station.

the property of the Association.

Messrs, Joseph Yuill & Sons sends us the following: "The demand for Ayrshire cattle has been better this fall than it has been since we commenced breeding, which was twenty-five years ago. We have lately made the following sales: Aged bull, Baron Mansiled 861, to J. R. Campbell, Esq., Vernon, Ont.; bull calf, Alex. Meadowside 1271, to E. Graham, Esq., Bristol, Que.; bull calf, Briton Meadowside 1270, and two-year-old heifer, May Meadowside 750, to Alex. Hindman, Hallsville, Ont.; Beauty Meadowside 1768, Maria Meadowside 1994 and heifer calf to Wm. McCay, Esq., Morewood, Ont.; Amy Meadowside 1738 and heifer calf to D. Frood, Esq., Renfrew, Ont.; eight head, three bulls and five heifers, to A. C. Wells & Son, Chillinock, B. C.; and Lizzie Meadowside 1989 to Joseph Smith, Esq., Carleton Place, Ont.; one Berkshire boar to John Tucker, Esq., Smith's Falls; one boar to A. Cochran, Almonte, Ont.; one Berkshire sow to D. Frood, Esq., Renfrew, Ont. The demand for Shropshires has been very good. We are wintering seventy-five head of Ayrshires, which are in fine condition."

Mr. James I. Davidson, Balsam, Ont., writes:

"I sold my imported bull, Hospodar (51409),
to Robert Bruce, Parlington, England. He left
here in October and landed one day soon enough
to save his life. He has quarantined him for
fear that any disease should break out in the
same shipment of cattle. I think he is the
youngest bull I know of out of a champion of
England cow. He is eight years old. His gr.
dam was got by Lord Raglan (13210, the first
bull that raised Mr. Cruickshank's calves at a
public sale to three figures. Messrs. Watt's
Barmpton Hero's dam and gr. dam were by the
same sires, that is what gives his progeny
their superiority. Had it not been for the new
regulations more would soon have followed
this shipment. Mr. Bruce has soid the bull calf
he bought of me in June to Mr. Duthie, having
retained his dam. I wish you success in the
issue of the Fyrkher's Advocytrativice a
month, a boon which I have no doubt the agricultural community will appreciate. I find
from enquiries that the publishing of the prize
list of the chief shows of Ontario is a great
advantage to breeders, as it enables those in
quest of first-class stock to readily find them.
The Clydesdale mare, Boydston Lass 1920, the
winner of the first prize as a brood mare in the
imported class at the Industrial Exhibition at
Toronto, and her two filies, Boydston Lass 1th
and 5th, winners of the silver medal and diploma in the imported class, are all doing well.
Her dam, Bell 6901, gained the first prize and
silver medal and diploma as the best mare of
any age or breed, at the Industrial, in 1879."
